That Old Ace In The Hole English Edition:

That Old Ace in the Hole Annie Proulx, 2007-12-01 From Pulitzer Prize and National Book Award winner Annie Proulx comes an exhilarating story brimming with language history landscape music and love Bob Dollar is a young man from Denver trying to make good in a bad world Out of college and aimless Dollar takes a job with Global Pork Rind scouting out big spreads of land that can be converted to hog farms Soon he is holed up in a two bit Texas town called Woolybucket where he settles into LaVon Fronk's old bunkhouse for fifty dollars a month helps out at Cy Frease's Old Dog Caf and learns the hard way how vigorously the old Texas ranch owners will hold on to their land even when their children want no part of it Robust often bawdy strikingly original That Old Ace in the Hole traces the waves of change that have shaped the American West over the past century and in Bob Dollar Proulx has created one of the most irrepressible characters in contemporary fiction

The Geographical Imagination of Annie Proulx Alex Hunt, 2010-11-23 This highly readable edited collection focuses on the work of Pulitzer Prize winning author Annie Proulx Each contributor to this volume explores a different facet of Proulx's striking attention to geography place landscape regional environments and local economies in her writing Covering all of her novels and short story collections scholars from the United States Canada and abroad engage in critical analyses of Proulx's new regionalism use of geographical settings and themes of displacement and immigration Taken together these essays demonstrate Annie Proulx's contribution to new regionalist understandings of place on local national and global scales Readers will come away with a better understanding of Proulx's particular landscapes particularly those of Wyoming New England Texas and Newfoundland and the issues surrounding the significance of these regions in contemporary American culture and literature

The Letters of William S. Burroughs William S. Burroughs, 1994-06-01 These funny filthy and terrifically smart letters reveal him in a way that no biographer can New York Newsday Guru of the Beat generation minence grise of the international avant garde dark prophet and blackest of satirists William S Burroughs has had a range of influence rivaled by few living writers This volume of his correspondence from 1945 to 1959 vividly documents the personal and cultural history through which Burroughs developed revealing clues to illuminate his life and keys to open up his texts More than that it shows how letter writing was itself integral to his life and to his fiction Beginning as surprisingly formal notes from the road to his friends Allen Ginsberg and Jack Kerouac the letters deepen in substance and style Then in Tangier comes a dramatic shift in voice and vision and the explosive distinctive letters that will become Naked Lunch Letters were lifelines for Burroughs the outcast and works in progress for Burroughs the writer and they track his turbulent journey across two decades and three continents To read them as they were written is to experience a unique merging of life and letters the extraordinary story of Williams S Burroughs homme de lettres Unrelenting impact Los Angeles Reader

The Unicorn Girl Michael Kurland, 2002-12-01 **Essentials of Environmental Engineering** Frank R. Spellman, 2020-01-23 Essentials of Environmental Engineering is designed for use in an introductory university undergrad

course This book introduces environmental engineering as a profession applying science and math theories to describe and explore the relationship between environmental science and environmental engineering Environmental engineers work to sustain human existence by balancing human needs from impacts on the environment with the natural state of the environment In the face of global pollution diminishing natural resources increased population growth especially in disadvantaged countries geopolitical warfare global climate change cyclical and or human caused and other environmental problems it is clear that we live in a world that is undergoing rapid ecological transformation Because of these rapid changes the role of environmental engineering has become increasingly prominent Moreover advances in technology have created a broad array of modern environmental issues To mitigate these issues we must capitalize on environmental protection and remediation opportunities presented by technology Essentials of Environmental Engineering addresses these very issues It was written with the student in mind Complex topics are explained in an easy to understand format and style Numerous examples are given and chapter review questions along with solutions are provided in the text

The Carbon Cycle Kate Rawles, 2013-09-25 In 2006 outdoor philosopher Kate Rawles cycled 4553 miles from Texas to Alaska following the spine of the Rocky Mountains as closely as possible Cycling across unforgiving but starkly beautiful landscapes in both the United States and Canada deserts high mountain passes glaciers and eventually down to the sea she encountered bears wolves moose cliff swallows aspens and a single astonishing lynx Along the way she talked to North Americans about climate change from truck drivers to politicians to find out what they knew about it whether they cared and if they did what they thought they could do Kate tells the story of a trip in which she has to deal with the rigours of cycling for ten hours a day in temperatures often in excess of 100 F fighting punctures endless repairs and inescapable grinding fatigue But in recounting the physical struggle of such a journey she also does constant battle with her own ideas and assumptions helping us to cross the great divide between where we are on climate change and where we need to be Can we tackle climate change while still keeping our modern Western lifestyles intact Should we put biofuel in our camper vans and

RVs Or do we need much deeper shifts in lifestyles values and worldviews **Literary Outlaw** Ted Morgan,2012-07-23 Almost indecently readable captures Burroughs s destructive energy his ferocious pessimism and the renegade brilliance of his style Vogue With a new preface as well as a final chapter on William S Burroughs s last years the acclaimed Literary Outlaw is the only existing full biography of an extraordinary figure Anarchist heroin addict alcoholic and brilliant writer Burroughs was the patron saint of the Beats His avant garde masterpiece Naked Lunch shook up the literary world with its graphic descriptions of drug abuse and illicit sex and resulted in a landmark Supreme Court ruling on obscenity Burroughs continued to revolutionize literature with novels like The Soft Machine and to shock with the events in his life such as the accidental shooting of his wife which haunted him until his death Ted Morgan captures the man his work and his friends Allen Ginsberg and Paul Bowles among them in this riveting story of an iconoclast *The Ticket That Exploded* William S. Burroughs,2011-02-24 As this new edition reveals the cultural reach of *The Ticket That Exploded* has expanded with the viral logic of Burroughs s multimedia methods recycling itself into our digital environment A last chance antidote to the virus of lies spread by the ad men and con men of the Nova Mob Burroughs s book is an outrageous hybrid of pulp science fiction obscene experimental poetry and manifesto for revolution as fresh today as it ever has been Edited from the original manuscripts by renowned Burroughs scholar Oliver Harris this revised edition incorporates an introduction and appendices of never before seen materials *A Companion to Robert Altman* Adrian Danks,2015-03-31 A Companion to Robert Altman presents myriad aspects ofAltman s life career influence and historical context Thisbook features 23 essays from a range of experts in the field providing extensive coverage of these aspects and dimensions ofAltman s work The most expansive and wide ranging book yet published onAltman providing a comprehensive account of Altman scomplete career Provides discussion and analysis of generally neglected aspectsof Altman s career including the significance of his work intelevision and industrial film the importance of collaboration and the full range and import of his aesthetic innovations Includes essays by key scholars in Altmanstudies bringing together experts in the field emergingscholars and writers from a broad range of fields Multi disciplinary in design and draws on a range of approachesto Altman s work being the first substantial publication tomake use of the recently launched Robert Altman Archive at theUniversity of Michigan Offers specific insights into particular aspects of film styleand their application industrial and aesthetic film and TVhistory and particular areas such as the theorisation of space place authorship and gender 100 All-time Popular Hits Ekay Music, Incorporated,1992-09 Allen's Dictionary of English Phrases Robert Allen,2008-08-07 Allen s Dictionary of English Phrases is the most comprehensive survey of this area of the English language ever undertaken Taking over 6000 phrases it explains their meaning explores their development and gives citations that range from the Venerable Bede to Will Self Crisply and wittily written the book is packed with memorable and surprising detail whether showing that salad days comes from Antony and Cleopatra that flavour of the month originates in 1940s American ice cream marketing or even that we ve been calling a
