

The women who adapt themselves to a theoretical valuation of their sex as a relative impersonality, are not yet Feminine

Leave off looking to men to find out what you are not —seek within yourselves to find out what you are

As conditions are at present constituted—you have the choice between Parasitism, & Prostitu-
tion —or Negation

Men & women are enemies, with the enmity of the exploited for the parasite, the parasite for the exploited—at present they are at the mercy of the advantage that each can take of the others sexual dependence—. The only point at which the interests of the sexes merge—is the sexual embrace.

The first illusion it is to your interest to demolish is the division of women into two classes the mistress, & the mother every well-balanced & developed woman knows that is not true, Nature has endowed the complete woman with a faculty for expressing herself through all her functions—there are no restrictions the woman who is so incompletely evolved as to be un-self-conscious in sex, will prove a restrictive influence on the temperamental expansion of the next generation; the woman who is a poor mistress will be an incompetent mother—an inferior mentality—& will enjoy an inadequate apprehension of Life .

To obtain results you must make sacrifices & the first & greatest sacrifice you have to make is of your “virtue” The fictitious value of woman as identified with her physical purity—is too easy a stand-by—— rendering her lethargic in the acquisition of intrinsic merits of character by which she could obtain a concrete value— therefore, the first self-enforced law for the female sex, as a protection against the man made bogey of virtue—which is the principal instrument
