The 3rd New And Old Time Radio Collection:

Encyclopedia of Radio 3-Volume Set Christopher H. Sterling, 2004-03 Produced in association with the Museum of Broadcast Communications in Chicago the Encyclopedia of Radio includes more than 600 entries covering major countries and regions of the world as well as specific programs and people networks and organizations regulation and policies audience research and radio s technology This encyclopedic work will be the first broadly conceived reference source on a medium that is now nearly eighty years old with essays that provide essential information on the subject as well as comment on the significance of the particular person organization or topic being examined **Broadcast Hysteria** A. Brad Schwartz, 2025-09-23 On the evening of October 30 1938 radio listeners across the United States heard a startling report of a meteor strike in the New Jersey countryside With sirens blaring in the background announcers in the field described mysterious creatures terrifying war machines and thick clouds of poison gas moving toward New York City As the invading force approached Manhattan some listeners sat transfixed while others ran to alert neighbors or to call the police Some even fled their homes But the hair raising broadcast was not a real news bulletin it was Orson Welles s adaptation of the H G Wells classic The War of the Worlds In Broadcast Hysteria A Brad Schwartz boldly retells the story of Welles s famed radio play and its impact Did it really spawn a wave of mass hysteria as The New York Times reported Schwartz is the first to examine the hundreds of letters sent to Orson Welles himself in the days after the broadcast and his findings challenge the conventional wisdom Few listeners believed an actual attack was under way But even so Schwartz shows that Welles s broadcast became a major scandal prompting a different kind of mass panic as Americans debated the bewitching power of the radio and the country s vulnerability in a time of crisis When the debate was over American broadcasting had changed for good but not for the better As Schwartz tells this story we observe how an atmosphere of natural disaster and impending war permitted broadcasters to create shared live national experiences for the first time We follow Orson Welles s rise to fame and watch his manic energy and artistic genius at work in the play s hurried yet innovative production And we trace the present day popularity of fake news back to its source in Welles s show and its many imitators Schwartz s original research gifted storytelling and thoughtful analysis make Broadcast Hysteria a groundbreaking new look at a crucial but little understood episode in American history **“Good Night, Chet”** Lyle Johnston, 2003-03-24 If a judgment were ever rendered on all the multi million words I have spoken into microphones I hope something like this could be said He Huntley had a great respect almost an awe of the medium in which he worked He regarded it as a privilege not a license Perhaps the best I might hope is that by some accident of voice tone or arrangement of words I did on a few occasions excite exhort annoy or provoke a few of my fellow human beings to think with their heads not the viscera Chet Huntley This biography of NBC newsman Chet Huntley who along with David Brinkley anchored NBC s Huntley Brinkley Report covers his youth on a farm in Montana his education and his graduation from the University of Washington his development as a radio personality and news reporter for

stations in Seattle Spokane Portland and his work for CBS ABC and NBC radio and television in Los Angeles from 1939 to 1955 It also details his move to New York and his work on the Huntley Brinkley Report from 1956 to 1970 his retirement from the news business his supervision of the development of the Big Sky Ski resort in Montana and his death from cancer in 1974 at the age of 62 *The First Lady of Hollywood* Samantha Barbas,2005-10-24 Hollywood celebrities feared her William Randolph Hearst adored her Between 1915 and 1960 Louella Parsons was America s premier movie gossip columnist and in her heyday commanded a following of more than forty million readers This first full length biography of Parsons tells the story of her reign over Hollywood during the studio era her lifelong alliance with her employer William Randolph Hearst and her complex and turbulent relationships with such noted stars directors and studio executives as Orson Welles Joan Crawford Louis B Mayer Ronald Reagan and Frank Sinatra as well as her rival columnists Hedda Hopper and Walter Winchell Loved by fans for her just folks small town image Parsons became notorious within the film industry for her involvement in the suppression of the 1941 film *Citizen Kane* and her use of blackmail in the service of Hearst s political and personal agendas As she traces Parsons s life and career Samantha Barbas situates Parsons s experiences in the broader trajectory of Hollywood history charting the rise of the star system and the complex interactions of publicity journalism and movie making Engagingly written and thoroughly researched *The First Lady of Hollywood* is both an engrossing chronicle of one of the most powerful women in American journalism and film and a penetrating analysis of celebrity culture and Hollywood power politics *Radio News* ,1921 Some issues 1943 July 1948 include separately paged and numbered section called Radio electronic engineering edition called Radionics edition in 1943 *Immortal Films* Barbara Klinger,2022-11-15 Introduction the cultural biography of a film Listening to *Casablanca* radio adaptations and sonic Hollywood Back in theaters postwar repertory houses and cult cinema Everyday films broadcast television reruns and canonizing old Hollywood Movie valentines holiday cult and the romantic canon in VHS video culture Happy anniversaries classic cinema on DVD Blu ray in the conglomerate age Epilogue streaming *Casablanca* and afterthoughts Appendix one *Casablanca* s first appearances on US platforms formats Appendix two *Casablanca* s physical format video rereleases **Babe Ruth and the Creation of the Celebrity Athlete** Thomas Barthel,2018-07-30 From his first year in the majors George Herman Babe Ruth knew he could profit from celebrity Babe Ruth Cigars in 1915 marked his first attempt to cash in Traded to the Yankees in 1920 he soon signed with Christy Walsh baseball s first publicity agent Walsh realized that stories of great deeds in sports were a commodity and in 1921 sold Ruth s ghostwritten byline to a newspaper syndicate for 15 000 187 000 today Ruth hit home runs while Walsh s writers made him a hero crafting his public image as a lovable scalawag Were the stories true It didn t matter they sold Many survive but have never been scrutinized until now Drawing on primary sources this book examines the stories separating exaggerated facts from clear falsehoods This book traces Ruth s ascendance as the first great media created superstar and celebrity product endorser Radio & TV News ,1921 Some issues Aug 1943 Apr 1954 are called

Radio electronic engineering ed called in 1943 Radionics ed which include a separately paged section Radio electronic engineering varies v 1 no 2 v 22 no 7 issued separately Aug 1954 May 1955 Sylvia Plath Day by Day, Volume 1 Carl Rollyson, 2023-08-14 Since Sylvia Plath's death in 1963 she has become the subject of a constant stream of books biographies and articles She has been hailed as a groundbreaking poet for her starkly beautiful poems in *Ariel* and as a brilliant forerunner of the feminist coming of age novel in her semiautobiographical *The Bell Jar* Each new biography has offered insight and sources with which to measure Plath's life and influence *Sylvia Plath Day by Day* a two volume series offers a distillation of this data without the inherent bias of a narrative Volume 1 commences with Plath's birth in Boston in 1932 records her response to her elementary and high school years her entry into Smith College and her breakdown and suicide attempt and ends on February 14 1955 the day she wrote to Ruth Cohen principal of Newnham College Cambridge to accept admission as an affiliated student at Newnham College to read for the English Tripos *Sylvia Plath Day by Day* is for readers of all kinds with a wide variety of interests in the woman and her work The entries are suitable for dipping into and can be read in a minute or an hour Ranging over several sources including Plath's diaries journals letters stories and other prose and poetry including new material and archived material rarely seen by readers a fresh kaleidoscopic view of the writer emerges **Dreams of Flight** Dana Polan, 2021-11-09 Introduction Engineering The great escape from book to film and in between Tunneling in The great escape style theme and structure After lives Appendix It really happened *Consumed Nostalgia* Gary Cross, 2015-09-08 Nostalgia isn't what it used to be For many of us modern memory is shaped less by a longing for the social customs and practices of the past or for family heirlooms handed down over generations and more by childhood encounters with ephemeral commercial goods and fleeting media moments in our age of fast capitalism This phenomenon has given rise to communities of nostalgia whose members remain loyal to the toys television and music of their youth They return to the theme parks and pastimes of their upbringing hoping to reclaim that feeling of childhood wonder or teenage freedom *Consumed* nostalgia took definite shape in the 1970s spurred by an increase in the turnover of consumer goods the commercialization of childhood and the skillful marketing of nostalgia Gary Cross immerses readers in this fascinating and often delightful history unpacking the cultural dynamics that turn pop tunes into oldies and childhood toys into valuable commodities He compares the limited appeal of heritage sites such as Colonial Williamsburg to the perpetually attractive power of a Disney theme park and reveals how consumed nostalgia shapes how we cope with accelerating change Today nostalgia can be owned collected and easily accessed making it less elusive and often more fun than in the past but its commercialization has sometimes limited memory and complicated the positive goals of recollection By unmasking the fascinating idiosyncratic character of modern nostalgia Cross helps us better understand the rituals of recall in an age of fast capitalism Network Nations Michele Hilmes, 2012 In *Network Nations* Michele Hilmes reveals and re conceptualizes the roots of media globalization through a historical look at the productive transnational cultural relationship between British

and American broadcasting Though frequently painted as opposites the British public service tradition contrasting with the American commercial system in fact they represent two sides of the same coin Neither could have developed without the constant presence of the other in terms not only of industry and policy but of aesthetics culture and creativity despite a long history of oppositional rhetoric Based on primary research in British and American archives Network Nations argues for a new transnational approach to media history looking across the traditional national boundaries within which media is studied to encourage an awareness that media globalization has a long and fruitful history Placing media history in the framework of theories of nationalism and national identity Hilmes examines critical episodes of transnational interaction between the US and Britain from radio e t m s amateurs to the relationship between early network heads from the development of radio features and drama to television spy shows and miniseries as each other e t m s largest suppliers of programming and as competitors on the world stage and as a network of creative business and personal relationships that has rarely been examined but that shapes television around the world As the global circuits of television grow and as global regions particularly Europe attempt to define a common culture the historical role played by the British US media dialogue takes on new significance
