Rodigan David Rodigan, 2017-03-02 THE BOOK THAT EVERY REGGAE FAN SHOULD READ John Masouri Echoes Rodigan can still claim a currency few presenters of his vintage can match Perhaps it's because while his wider musical and professional milieu has been in constant change his boundless enthusiasm has been constant Reggae's been lucky to have him Ian Harrison MOJO Rodigan was a major part of my childhood he played the hottest tunes and in a style that just resonated with me and millions like me Being able to contribute anything to a man that filled my life with such joy is an honour respect David Rodigan Ian Wright David is a pioneer in Reggae music As a selector and radio personality his vast knowledge of Jamaican music and its culture has helped

to educate and fascinate music lovers around the world he is an amazing son of the music and an icon We couldn't have made it this far without him Shaggy This is the unlikely story of David Rodigan an Army sergeant's son from the English countryside who has become the man who has taught the world about Reggae As the sound of Jamaica has morphed over five decades through a succession of different genres from Ska and Rock Steady to Dub Roots and Dancehall Rodigan has remained its constant champion winning the respect of generation after generation of Reggae followers across the globe Today at the age of 63 he is a headline performer at almost all the UK's big music festivals as well as events across the world Young people revere him and he is a leading presenter on the BBC's youth network 1Xtra as well as a regular fixture at leading nightclubs such as London's Fabric and at student unions throughout the land And he continues to go into the heartlands of Reggae to the downtown dancehalls of Kingston and Montego Bay in Jamaica to compete in tournaments against the greatest sound systems And yet for all of this David Rodigan is the antithesis of the stereotype of an international dance music DJ I look like an accountant or a dentist he admitted to *The Independent* a decade ago A man of impeccable manners Rodigan prepares for a big sound clash by retiring to his hotel bed with a Thomas Hardy novel before taking a nap and then a cup of espresso before heading to the club Rodigan is the inside story of this apparent paradox It tells how a boy from Kidlington has become an admired international ambassador for a music form that remains as proud as ever of its African roots a sound that emanates from and fiercely represents the ghetto poor He now reaches across the age groups from teens through to those of his own vintage At the pinnacle of his career Rodigan has become the DJ for all generations David Rodigan is a force of nature His spirit and passion are a rare and wonderful thing He has dedicated his life to carrying the torch for Reggae music and is hugely respected all over the world for his knowledge and talent as a broadcaster and a DJ Long may he reign on our stages and on our airwaves Annie Mac
