Kubilus,2024-02-27 What if everything we've heard about hell is wrong Eternal torment A lake of fire Wailing and gnashing of teeth Many of us have sat through enough sermons to know what awaits us if we slip up These dark visions of the afterlife seem a bit sadistic Is there any hope within the Christian faith if this is the God of Love we serve In this lively debut Derek Ryan Kubilus makes the case for universal salvation Kubilus shows how our ideas about hell have been distorted by mistranslation of the Greek and Hebrew Scriptures Armed with proof texts those in power have used threats of eternal damnation as an instrument of control Arguing that such torture is contrary to God's nature Kubilus offers an alternative understanding of hell a temporary and holy rehabilitation reconciling all creation in Christ Theologically serious and culturally engaged *Holy Hell* will shake readers' assumptions about a seemingly implacable Christian doctrine that chains so many to eternal dread In its place Kubilus offers a vision for a church that serves all people with compassion wherever they are in their journey toward Christ **The Impetus of Amateur Scholarship** Monica Santini,2010 Three quarters of what

Death and Changing Rituals J. Rasmus Brandt, Håkon Roland, Marina Prusac, 2014-07-31 The forms by which a deceased person may be brought to rest are as many as there are causes of death In most societies the disposal of the corpse is accompanied by some form of celebration or ritual which may range from a simple act of deportment in solitude to the engagement of large masses of people in laborious and creative festivities In a funerary context the term ritual may be taken to represent a process that incorporates all the actions performed and thoughts expressed in connection with a dying and dead person from the preparatory pre death stages to the final deposition of the corpse and the post mortem stages of grief and commemoration The contributions presented here are focused not on the examination of different funerary practices their function and meaning but on the changes of such rituals how and when they occurred and how they may be explained Based on case studies from a range of geographical regions and from different prehistoric and historical periods a range of key themes are examined concerning belief and ritual body and deposition place performance and commemoration exploring a complex web of practices
