The Amazing Power Of God Inside Of You:

The Amazing Power of God Inside of You Brent Runyan, 2015-01-03 For Right Identity Miracles Healing Deliverance and a Closer Walk with God The character and nature of God is love Love is what God is so becoming love and operating out of that place is what we need to do With fear there is torment but perfect love casts out fear 1 John 1 14 The things of the Kingdom of God are all positive We need to get rid of every type of negative or critical thinking if we want to walk like Jesus and have His power flow through us to the maximum extent The Apostle Paul spoke about the negative things other people said about him but he said that he considered that very unimportant and that he didn't even judge himself When we become love we don't judge others or ourselves but we simply look to how we can bless others Paul didn't concern himself with anything except for being what God designed him to be There is no type of meeting that is more powerful than ticket meetings This chapter provides all of the tools needed to hold powerful Holy Spirit led ticket meetings whether those meetings are held at your church or your home Although this incredibly powerful approach has been around for many decades you will almost never see it any church Here is a chance for groups to experience the ministry of the Holy Spirit like never before The book is instructional but those who are seeking more power in their life and a closer walk with God in their life will find it refreshing captivating and entertaining I believe that both groups and individuals that study and use the book will see amazing miracles come to pass by applying the truths contained in it An atheist who let me pray for him said right afterwards The power almost knocked my socks off and he wasn't joking or being sarcastic This book will probably help you to knock some socks off We need to be operating in God's power to help save the lost and be of maximum service to others Christians are instructed to put on the whole armor of God and stand against the enemy Only by understanding the atonement of Jesus God's love and grace who we are in Christ and our purpose can we do all of those things and be used of God in the way that He has intended for us to be used according to His word
