Campos, 2002 Now in its 6th Edition this classic text lauded by Archives of Ophthalmology as the gold standard for strabismus textbooks continues to provide you with everything you need to diagnose and treat the full spectrum of disorders This new edition is simply the best and most comprehensive resource available in the field of strabismus It presents the latest information on the pharmacological treatment of amblyopia chemodenervation in place of surgery for certain types of strabismus use of botulinum toxin for treatment of extraocular muscles and much more The 6th Edition of this complete and extensive reference has been fully updated and expanded to offer the latest information on both the theoretical and practical aspects of diagnosis and management Readers will find highly illustrated and extensively referenced descriptions of state of the art procedures presented in an easy to read format Features coverage of the newly discovered muscle pulleys and their clinical significance the etiology of A and V pattern strabismus the etiology of infantile esotropia strabismus in high myopes and more Offers the international perspective of a new co author Dr Campos Fully illustrated with over 650 photographs and line drawings over 40 of which are brand new to this edition Reinforces text discussions with numerous case reports Reflects the current literature with hundreds of new references Discusses the perceptual and functional aspects of binocular cooperation in depth Includes a brand new chapter on Chemodenervation of Extraocular Muscles Botulinum Toxin plus expanded coverage of Sensory Signs Symptoms and Binocular Adaptations in Strabismus Amblyopia and Depth Perception **Religion and Politics Beyond the Culture Wars** Darren Dochuk, 2021-10-15 This volume reframes the narrative that has too often dominated the field of historical study of religion and politics the culture wars Influenced by culture war theories first introduced in the 1990s much of the recent history of modern American religion and politics is written in a mode that takes for granted the enduring partisan divides that can blind us to the complex and dynamic intersections of faith and politics The contributors to Religion and Politics Beyond the Culture Wars argue that such narratives do not tell the whole story of religion and politics in the modern age This collection of essays authored by leading scholars in American religious and political history challenges readers to look past familiar clashes over social issues to appreciate the ways in which faith has fueled twentieth century U S politics beyond predictable partisan divides and across a

spectrum of debates ranging from environment to labor immigration to civil rights domestic legislation to foreign policy
Offering fresh illustrations drawn from a range of innovative primary sources theories and methods these essays emphasize
that our rendering of religion and politics in the twentieth century must appreciate the intersectionality of identities interests
and motivations that transpire and exist outside an unbending dualistic paradigm Contributors Darren Dochuk Janine
