trying to keep to have a relationship with him Has Sam got any chance of rising through the Tory ranks if he comes out of the closet completely Discovering that he is working in the same office in which Ted Heath originally began his career inspires Sam to research the man and the rumours about his sexuality Through juxtaposing two careers Ted Heath's and that of the young modern Tory researcher Graham questions whether sexuality matters in today's political world and if it does then why Tory Boyz was first performed by the National Youth Theatre Company at Soho Theatre London on 21 July 2008 This edition contains the updated script from 2013 as well as an introduction by Anthony Banks director and Associate Director for National Theatre Learning
