Companion Terry J. Erdmann, Paula M. Block, 2000 Lavishly illustrated with a wealth of rare photos and drawings this is the first and only fully authorized comprehensive companion to seven seasons of the television show TV Guide called the best acted written produced and altogether finest of the four Trek series *Cinefantastique*, 2005 **To Boldly Stay** Sherry Ginn, Michael G. Cornelius, 2022-05-13

Despite the fact that Star Trek Deep Space Nine ended over twenty five years ago there has yet to be a stand alone assessment of the series This collection corrects that omission examining what made Deep Space Nine so unique within the Star Trek universe and how that uniqueness paved the way for an altogether new entirely different vision for Star Trek If the Star Trek slogan has always been to boldly go where no one has gone before then Deep Space Nine helped to bring in a new renaissance of serialized television that has become normal practice Furthermore Deep Space Nine ushered in critical discussions on race gender and faith for the franchise science fiction television and American lives It relished in a vast cast of supporting characters that allowed for the investigation of psychosocial relationships from familial issues to interpersonal and interspecies conflict to regional strife that the previous Star Trek series largely overlooked Essays explore how Deep Space Nine became the most richly complicated sci fi series in the entire Star Trek pantheon *Star Trek and the Tragic Hybrid* Carolyn Burlingame-Goff, 2024-06-06 Spock Data Worf B Elanna Torres Seven of Nine Odo Michael Burnham Soji Many of Star Trek s most beloved characters are children of two worlds the products of competing biologies materials and cultures Their popularity is unsurprising authors mine conflicted identities for dramatic effect and viewers see their own struggles reflected in the challenges of individuals who never seem to quite fit in This book demonstrates that the tradition is not new Spock and his fellow hybrids have their roots in anti slavery literature Abolitionist authors introduced protagonists who were both Black and White yet not fully accepted as either Divided at their core the attempts of these noble yet tortured individuals to bridge their two races inevitably ended in tragedy Gene Roddenberry and his successors thrust the character type into the future using it to explore the evolving racial attitudes of their times Star Trek s tragic hybrids have asked audiences to see beyond color to embrace multiculturalism to accept mixed race identity and finally to acknowledge the consequences of systemic oppression Joss Whedon and Race Mary Ellen

Iatropoulos, 2016-11-10 Joss Whedon is known for exploring philosophical questions through socially progressive narratives in

his films television shows and comics His work critiques racial stereotypes sometimes repudiating them sometimes reinvesting in them sometimes both at once This collection of new essays explores his representations of racial power dynamics between individuals and institutions and how the Whedonverse constructs race ethnicity and nationality relationships

Tolkien's Medievalism in Ruins Nick Katsiadis, Carl Sell, 2025-10-16 The structural and symbolic purposes of ruins in literary texts have a long history yet few scholars explore their importance within J R R Tolkien's legendarium From the ruins of Erebor and the relics of Gondolin appearing in *The Hobbit* to the various images of Amon S 1 Moria and Osgiliath in *The Lord of the Rings* Tolkien constructs a distinct mood one that captures characters awareness of the glories of the past and a desire to emulate them The scholars who do engage Tolkien's relics and ruins tend to limit the scope to Tolkien's debt to the Middle Ages While such scholarship begins important conversations the full story of Tolkien's relics and ruins is left untold Tolkien's *Medievalism in Ruins* takes corrective action and expands this historical and critical literary scope This collection seeks to promote a more comprehensive approach to Tolkien's legendarium
