Stranger to the Moon Evelio Rosero, 2021-09-07 A fantastical novel about power and subservience by the great Evelio Rosero winner of Colombia s National Literature Prize The renowned Colombian writer Evelio Rosero has never been one to shy away from the darker aspects of his nation s history and society His magnificent novel *Stranger to the Moon* portrays a

world that seems to exist outside time and place but taps into the dark myths and collective subconscious of his country with its harrowing inequality and violence A parable of pointed social criticism with naked humans imprisoned in a house in order to serve the needs of the vicious clothed ones the novel describes what ensues when a single naked one privately rebels risking his own death and that of his fellow prisoners Each subsequent section of the book adds further layers to the ritualistic and bizarre social order inhabited by its characters Insects and reptiles are trained as agents and spies against the naked ones and only the most fortunate humans manage to reach old age by taking up strategic spots near the kitchens and grabbing for the fiercely contested food Stranger to the Moon is a brave powerful and distinctive novel by a writer who arguably holds the strongest claim to the title of Colombia's greatest living author **Way Far Away** Evelio

Rosero,2024-03-05 A short unforgettable masterwork by one of Colombia's most influential living novelists Far Far Away is the Colombian master Evelio Rosero's ninth novel and has been billed by his Spanish publisher as one of the most important Colombian works of fiction written in the past two decades In search of his missing granddaughter Rosaura an old man named Jerem as Andrade arrives in a town strewn with dead mice and overflowing with mist and fog The owner of a rotten hotel and the dwarf who always accompanies her children who play with sinister soccer balls and observe life from the ruined rooftops an albino named Bonifacio who appears and disappears like a ghost the cart driver whose only task is to pick up the mice piling up night after night the charitable nuns in a nearby convent these are the characters that converge in a vigil turned nightmare Jerem as's wanderings reveal a haunting truth and a possibility of reunion in a place where all is lost a forever gaping abyss **Espectros** Alberto Ribas-Casasayas,Amanda L. Petersen,2015-12-24 Espectros is a compilation of

original scholarly studies that presents the first volume length exploration of the spectral in literature film and photography of Latin America Spain and the Latino diaspora In recent decades scholarship in deconstructionist hauntology trauma studies affect in image theory and a renewed interest in the Gothic genre has given rise to a Spectral Studies approach to the study of narrative Haunting the spectral and the effects of the unseen carry a special weight in contemporary Latin American and Spanish cultures referred to in the book as Transhispanic cultures due to the ominous legacy of authoritarian governments and civil wars as well as the imposition of the unseen yet tangible effects of global economics and neoliberal policies Ribas and Petersen's detailed introductory analysis grounds haunting as a theoretical tool for literary and cultural criticism in the Transhispanic world with an emphasis on the contemporary period from the end of the Cold War to the present The chapters in this volume explore haunting from a diversity of perspectives in particular engaging haunting as a manifestation of trauma absence and mourning The editors carefully distinguish the collective cultural dimension of historical trauma from the individual psychological experience of the aftermath of a violent history always taking into account unresolved social justice issues The volume also addresses the association of the spectral photographic image with the concept of haunting because of the photograph's ability to reveal a presence that is traditionally absent or has been excluded from hegemonic

representations of society The volume concludes with a series of studies that address the unseen effects and progressive deterioration of the social fabric as a result of a globalized economy and neoliberal policies from the modernization of the nation state to present
