The Assembled Parties Richard Greenberg, 2014-08-25 THE ASSEMBLED PARTIES welcomes us to the world of the Bascovs an Upper West Side Jewish family in 1980 In a sprawling Central Park West apartment former movie star Julie Bascov and her sister in law Faye bring their families together for their traditional holiday dinner But tonight things are not usual A houseguest has joined the festivities for the first time and he unwittingly or perhaps by design insinuates himself into the family drama Twenty years later as 2001 approaches the Bascovs seemingly picture perfect life may be about to crumble A stunning play infused with humor THE ASSEMBLED PARTIES is an incisive portrait of a family grasping for stability at the dawn of a new millennium **Bioterrorism: The History of a Crisis in American Society** David McBride, 2022-07-30

Although at the start of the 21st century bioterrorism was newly feared by the public at large it is one threat that institutions have attempted to anticipate for years Originally published in 2003 and now with a new introduction this unique 2 volume collection provides a multi disciplinary resource on the challenges bioterrorism poses for American society and institutions from both legal and political institutions on one hand to public health and medical institutions on the other Volume one documents and analyses the challenge bioterrorism poses to these political economic and legal institutions putting bioterrorism into its historical context as a problem discussed and anticipated by government for decades Volume two documents the challenges bioterrorism poses to public health and public policy as a weapon of disease and fear The materials in these volumes provide case histories and discourse by specialists relating to the ways that the bioterrorism threat has been perceived and approached by US health and law institutions **Arts and Minds** Anton Howes, 2023-05-16

For almost 300 years an organisation has quietly tried to change almost every aspect of life in Britain That organisation is the Royal Society for the Encouragement of Arts Manufactures and Commerce often known simply as the Royal Society of Arts It has acted as Britain s private national improvement agency in every way imaginable essentially a society for the improvement of everything and anything This book is its history From its beginnings in a coffee house in the mid eighteenth century the Society has tried to change Britain s art industry laws music environment education and even culture It has sometimes even succeeded It has been a prize fund for innovations a platform for Victorian utilitarian reformers a convenor of disparate interest groups and the focal point for social movements There has never been an organisation quite like it constantly having to reinvent itself to find something new to improve The book rewrites many of the old official histories of the Society and updates them to the present day incorporating over half a century of further research into the periods they covered along with new insights into the organisation s evolution The book reveals the hidden and often surprising history of how a few public spirited people tried to make their country better offering lessons from their triumphs and their failures for all would be reformers today **Translations on International Communist Developments** ,1964 *The Cochin Tribes and*
