[The Complete Heretic's Guide to Christmas](#) David Fitzgerald, 2021-12-09 The sharper eyed readers among you may notice there are a few discrepancies between our two gospel accounts of Jesus birth and early years both written by originally anonymous admitted non eyewitnesses some generations after the fact possibly in the very late first century or more probably the early to mid second century Matthew s story reads like a suspenseful chase thriller the real action doesn t even begin until at least a year after Jesus is born Amazingly Matthew doesn t even spend an entire sentence on the actual birth of Jesus in fact just five words tucked in one line Jesus was born in Bethlehem Then the story goes into high gear with lots of dark happenings Mysterious wise men from the East a moving star intrigue an evil King s plot a late night escape into Egypt a horrific massacre the holy family sneaking from place to place on the run Oh and angels appearing in dreams Lots of angels appearing in lots of dreams Matthew seems to have a great deal of firsthand knowledge of what was going on in peoples dreams either that or he has a very limited imagination when it comes to plot devices By contrast Luke s story is all sunshine and light and full of cheerful details about Jesus wonderful birth and

childhood It's really two stories as he intermingles the nativity story of John the Baptist with the nativity story of Jesus but both are angst free tales filled with good things happening to happy people In Matthew anonymous angels repeatedly appear by night in dreams to the menfolk Joseph mostly In Luke's version however the angel Gabriel shows up in waking life to the women one appearance to each Unlike Matthew who puts Jesus immediately on the run to Egypt to save his life in Luke everyone is instantly delighted with the Savior's birth including the prophets who publicly acclaim him before everyone in the Temple

agnosticism and naturalism *The Girl's Guide to Homelessness* Brianna Karp, 2011-04-26 Brianna Karp entered the workforce at age ten supporting her mother and sister throughout her teen years in Southern California. Although her young life was scarred by violence and abuse, Karp stayed focused on her dream of a steady job and a home of her own. By age twenty-two, her dream became reality. Karp loved her job as an executive assistant and signed the lease on a tiny cottage near the beach. And then the Great Recession hit. Karp, like millions of others, lost her job. In the six months between the day she was laid off and the day she was forced out onto the street, Karp scrambled for temp work and filed hundreds of job applications, only to find all doors closed. When she inherited a thirty-foot travel trailer after her father's suicide, Karp parked it in a Walmart parking lot and began to blog about her search for work and a way back.

The Forever All: A Philosophical and Spiritual Guide, 2nd Ed Guyus Seralius, 2014-05-21 In my pantheistic view, the entire universe is the Supreme Being, an infinite purposeful system of positive and negative forces which has always existed and always will, and each of us is that eternal being of light and darkness. In this book, I discuss the importance of balance and how it is the heart of the All and the secret of life. I discuss the needed balance between the atheists and the theists, between the capitalists and the socialists, between the Democrats and the Republicans, and between the government and the governed. I also discuss how neither science nor religion, independent of the other, can adequately explain the world, and how ultimate truth will only arise when the scientific thinkers join forces with the spiritual thinkers. I created this book as a philosophical and spiritual guide for all those seeking truth. Inside, you will find my views on pantheism, metaphysics, science, technology, politics, and religion, along with samples of my artwork. 30 illustrations included.

Practicing Atheism Hannah K. Scheidt, 2021 Although many individuals identify as atheists, little is understood about the belief system beyond the simple lack of a belief in a higher power. Hannah K. Scheidt's *Practicing Atheism: Culture, Media, and Ritual in the Contemporary Atheist Network* unpacks the cultural products, both corporate-driven and grassroots, that carry messages about atheism to examine the complicated relationship between organized atheism and religion.
