The 0s Countdown To Armageddon:

Countdown to Armageddon Paul McGuire, 2000 Are we living in the final chapter of the world as we know it *Stalking the Antichrists (1965?2012) Volume 2* George E. Lowe, 2013-12 **Babylon Rising: The Europa Conspiracy** Tim LaHaye, 2009-10-14 Tim LaHaye creator of the Left Behind series blends suspense and Biblical prophecy in a new series of thrillers with a chilling relevance to the events of our time Here are ancient secrets never before revealed dire warnings and a man who must rise to face the greatest evil of all Michael Murphy is a hero for our troubled times He s an archaeologist and a scholar of Biblical prophecy He s also a man of action hunting ancient artifacts at the risk of his life And this time he s onto a find that will send him toward a confrontation with an evil of unimaginable power For Murphy has unlocked secrets that were never meant to be revealed secrets challenging everything Murphy s ever believed and jeopardizing everyone he s ever loved But that s not all that s at stake For what Murphy has discovered is that the countdown to the end time of all humankind has already begun It s later than anyone thinks And if Murphy fails we all fail [The Final Countdown Vol.1](#) Billy Crone, 2017-03-10 Because God loves us He has given us many warning signs to show us that the 7 year Tribulation is near and that the return of Jesus Christ is rapidly approaching Therefore The Final Countdown takes a look at 10 signs given by God to lovingly wake us up so we d give our lives to Him before it s too late These signs are the Jewish People Modern Technology Worldwide Upheaval The Rise of Falsehood The Rise of Wickedness The Rise of Apostasy One World Religion One World Government One World Economy and The Mark of the Beast Like it or not we are headed for The Final Countdown Please if you ve haven t already done so give your life to Jesus today because tomorrow may be too late *Rushing Ahead to Armageddon* Christopher M. Jones, 2010 The world seems to be on the brink as tensions in the Middle East are escalating daily Russia is strengthening its ties with China North Korea Syria and Iran arming them with sophisticated military weaponry Russia is building up its armed forces returning to Cold War military tactics including reopening ports used by the former Soviet Union Tensions between Israel and Iran have never been higher with each nation poised to strike against the other in a moment s notice Iran s nuclear ambition is well documented and is becoming a menace on the International stage With Israel s very existence at stake a preemptive strike against Iran s Russian built nuclear facilities is not out of the realm of possibility A preemptive strike by Israel could provoke a retaliatory response by Russia and her allies It seems that in a moment s notice the events described in Ezekiel 38-39 could break out right before our eyes or is it For many years contemporary prophecy writers have been telling us that we are living in the last days and the Gog and Magog alliance is one sure sign that the Rapture and the Second Coming of Christ are near However there is strong biblical evidence that the candidate often identified as Gog Russia may not in fact be the candidate that Ezekiel was referring too Using the Bible as a guide we can figure out who this obscure person is instead of using today s newspapers With a long history of well documented failed predictions by contemporary prophecy writers maybe it s time that we begin to reevaluate today s popular

I'll Take You There Bill Friskics-Warren, 2006-09-01 The urge to connect with that which transcends our experience be it a higher power another person or some artistic ideal or aspect of nature is one of the things that makes us human People view the object of this quest as well as what it means to achieve it differently Yet regardless of how it is understood the urge to participate in or belong to something greater and more lasting than ourselves a feeling born of an awareness of our mortality is what defines us as spiritual beings Though often dismissed as ephemeral or worse demonic popular music has given voice to this quest for transcendence since its beginnings Pop singers are rarely as outwardly spiritual as say their gospel counterparts they're forever pointing beyond themselves though be it to some better future some higher ideal or to some vision of deliverance Fontella Bass's *Rescue Me* the Four Tops's *Reach Out I'll Be There* Jimmy Cliff's *Many Rivers to Cross* Afrika Bambaataa's *Looking for the Perfect Beat* and U2's *I Still Haven't Found What I'm Looking For* are but a handful of popular recordings from the past few decades that express a longing for something more What other than transcendence is Jimi Hendrix talking about in *Purple Haze* when he shouts *scuse me while I kiss the sky* Or Van Morrison in *Caravan* when he implores us to crank our radios and sail away with him into the mystic Heard in the right light secular and even carnal records have the power to speak to transcendental concerns galvanizing their historical and cultural moments Regardless of their spiritual leanings all of the subjects discussed in this book including Public Enemy Madonna Sleater Kinney Tricky Johnny Cash Nine Inch Nails Moby Marvin Gaye Eminem Polly Harvey Bruce Springsteen and Sly the Family Stone make music that expresses a basic striving for transcendence Artists stories and personalities inform these discussions but only in as much as they illuminate the struggles and concerns that run through their music

I'll Take You There is a beautifully written wide ranging and illuminating examination of some of the most potent popular music ever recorded

The Return of Planet-X Jaysen Q. Rand, 2007 *The Return of Planet X* is an educational informational source examining all aspects of this controversial subject including the record of X's Ancient Science of Prophecy its Phantom Astronomy Forbidden Archaeology and the Signs Of Its Approach This book examines the history and prophecy of Earth's many cultures throughout the millennia and their

voluminous references to the reality of X's periodic passages. The most current hypothesis used to examine X's next return through the solar system centers around the fact that X's extended orbit approximately every 3,600 years first passing through the solar system then back out again suggests that its destructive cycle occurs in two phases. The first phase begins with X's initial pass through in 2009 separated by three years until its second phase. This passage marks X's return leg back into deep space beginning again its 3,600 year long trek through the heavens. X's last return visit through the solar system most likely coincided with the Hebrew's exodus from Egypt estimated around 1447 BC roughly 3,459 years ago. Did God somehow come to Moses aid by staging a cosmic event that no one today understands? The Mayan Celestial Calendar Codex inexplicably ends 21 December 2012. According to ancient Mayan cosmology time as we know it on Earth will reach its climax on that date. Written across the scroll of time and space the author believes Planet X will first return in 2009 and again in 2012.

Religious Myths and Visions of America Christopher Buck, 2009-04-30. At the heart of American studies is the idea of America itself. Here Buck looks at the religious significance of America by examining those religions that have attached some kind of spiritual meaning to America. The author explores how American Protestantism and nine minority faiths have projected America into the mainstream of world history by defining and by redefining America's world role. Surveying the religious myths and visions of America of ten religions, Buck shows how minority faiths have redefined America's sense of national purpose. This book invites serious reflection on what it means to be an American particularly from a religious perspective. Religious myths of America are thought orienting narratives that serve as vehicles of spiritual and social truths about the United States itself. Religious visions of America are action oriented agendas that articulate the goals to which America should aspire and the role it should play in the community of nations. Buck examines the distinctive perspectives held by ten religious traditions that inform and expand on the notion of America and its place in the world. He covers Native American, Protestant, Catholic, Jewish, Mormon, Christian, Identity, Black Muslim, Islamic, Buddhist, and Baha'i beliefs and invites serious reflection on what it means to be an American particularly from a religious perspective.

The Rapture Exposed Barbara R. Rossing, 2005-07-06. The author, a professor of theology and ordained minister, argues that Revelation does not predict a seven year tribulation nor a rapture of Christians. Rather it offers a vision of God's healing love for the world.

Marjorie Finnegan, Temporal Criminal #3 Garth Ennis, 2021-07-21. She's Marjorie Finnegan. She's a temporal criminal. What more do you need to know? Oh, all right, then all Marj wants to do is race up and down the time lanes, stealing every shiny, gleamy, pretty, sparkly she can lay her hands on. But her larcenous trail from the Big Bang to the Ninety-fifth Reich has drawn the beady eye of the Temporal PD, whose number one Deputy Marshall is now hard on our heroine's tail and taking things extremely personally. Worse still, Marj's worthless creep of an ex and his even scummier partner have seen an angle of their own in all this and now intend to use her time tech to change history for their own benefit. Marj's only ally, a guy called Tim, and he's just a head. I mean, come on, what use is just a head?
