

The 25-Year War

America's Military Role in Vietnam

GENERAL BRUCE PALMER, Jr.

The 25 Year War America S Military Role In Vietnam

James S. Robbins

The 25 Year War America's Military Role In Vietnam:

The 25-Year War General Bruce Palmer Jr., 2014-04-23 On April 30 1975 Saigon and the government of South Vietnam fell to the communist regime of North Vietnam ending for American military forces exactly twenty five year of courageous but unavailing struggle This is not the story of how America became embroiled in a conflict in a small country half way around the globe nor of why our armed forces remained there so long after the futility of our efforts became obvious to many It is the story of what went wrong there militarily and why The author is a professional soldier who experienced the Vietnam war in the field and in the highest command echelons General Palmer's insights into the key events and decisions that shaped America's military role in Vietnam are uncommonly perceptive America's most serious error he believes was committing its armed forces to a war in which neither political nor military goals were ever fully articulated by our civilian leaders Our armed forces lacking clear objectives failed to develop an appropriate strategy instead relinquishing the offensive to Hanoi Yet an achievable strategy could have been devised Palmer believes Moreover our South Vietnamese allies could have been bolstered by appropriate aid but were instead overwhelmed by the massive American military presence Compounding these errors were the flawed civilian and military chains of command The result was defeat for America and disaster for South Vietnam General Palmer presents here an insider's history of the war and an astute critique of America's military strengths and successes as well as its weaknesses and failures

The 25-year War Bruce Palmer, 1984 **Book Analysis: The 25-Year War: America's Military Role in Vietnam, by General Bruce Palmer, Jr** Irvin L. Cakerice, AIR COMMAND AND STAFF COLL MAXWELL AFB AL., 1988 The author chose the book analysis as his project because it allowed him the opportunity to read additional material related to the military He chose *The 25 Year War America's Military Role in Vietnam* by General Bruce Palmer Jr In order to determine if the lessons learned were sound the author compared the lessons with the principles of war studied in this school The book *On Strategy The Vietnam War in Context* by Colonel Harry G Summers Jr was used as the primary source to support General Palmer's assessment of the war The project is organized in four chapters Chapter One provides background information on General Palmer and examines his military experiences This insight helps identify any bias in the author Chapter Two is a synopsis of the American involvement in Vietnam and develops the framework for the reader to use in understanding the author's assessment of the war Chapter Three summarizes the author's assessment of the operational performance of the military forces the strategy and by the US and finally the lessons learned This chapter also compares General Palmer's views of the war with other sources particularly Colonel Summers Chapter four is a brief conclusion to the project

25-year War Bruce Palmer, 2002-09-01 Will stand for years to come as an indispensable resource for students of the war and the American defense establishment that has survived it The New York Times Book Review If you read only one book about Vietnam this should be it The Washingtonian A brilliant post mortem a clear summary of a complex autopsy of a victim who died of multiple avoidable unintended self inflicted wounds Armed Forces

Journal Perhaps the best single account of the Vietnam War by a military man A tough dispassionate common sense analysis of America s military role in Vietnam The Baltimore Evening Sun An absolute must for any officer who considers himself a military professional Harry G Summers Jr in Parameters **Book Analysis** Irvin Lon Cakerice,Air University (U.S.). Air Command and Staff College,1988 **America and Vietnam, 1954-1963** Michael M. Walker, Col., USMC (Ret.),2022-09-14 The conventional narrative of the Vietnam War often glosses over the decade leading up to it Covering the years 1954 1963 this book presents a thought provoking reexamination of the war s long prelude from the aftermath of French defeat at Dien Bien Phu through Hanoi s decision to begin reunification by force to the assassination of South Vietnamese President Ngo Dinh Diem Established narratives of key events are given critical reappraisal and new light is shed on neglected factors The strategic importance of Laos is revealed as central to understanding how the war in the South developed **America's War in Vietnam** Larry H. Addington,2000-04-22 If you want to read one book about Vietnam read this one New York Review of Books Drawing on years of experience teaching about the war Larry H Addington presents a short narrative history of the origins course and outcome of America s military involvement in Vietnam Not intended as a competitor to the many excellent comprehensive studies of the Vietnam Era this book will prove a useful introduction and a concise reference to America s longest most controversial war Addington reviews the history of pre colonial Vietnam the impact of French imperialism and the Indochina War and the Cold War origins of American involvement He then details US policy after the 1954 Geneva Accords its role in the establishment of South Vietnam and the outbreak of a new war Turning to America s deepening involvement Addington examines the US strategies for waging air and ground war the impact of the war at home and the reasons for the failure of US policy under President Johnson He studies the successes and failures of the policy of withdrawal under President Nixon and concludes with an overview of the war s aftermath and its legacy **The ARVN and the Fight for South Vietnam** Nghia M. Vo,2021-09-08 With the withdrawal of French forces from South Vietnam in 1955 the U S took an ever widening role in defending the country against invasion by North Vietnam By 1965 the U S had Americanized the war relegating the Army of the Republic of Vietnam ARVN to a supporting role While the U S won many tactical victories it had difficulty controlling the territory it fought for As the war grew increasingly unpopular with the American public the North Vietnamese launched two large scale invasions in 1968 and 1972 both tactical defeats but strategic victories for the North that precipitated the U S policy of Vietnamization the drawdown of American forces that left the ARVN to fight alone This book examines the maturation of the ARVN and the major battles it fought from 1963 to its demise in 1975 Despite its flaws the ARVN was a well organized and disciplined force with an independent spirit and contributed enormously to the war effort Had the U S Vietnamized the war earlier it might have been won in 1967 1968 **Warfare in China Since 1600** Kenneth Swope,2017-05-15 Warfare has shaped the modern history of China more than any other single factor This book brings together the best recent English language scholarship on warfare in China over the last four centuries and situates warfare

within the broader sweep of China's modern historical development *Military Review* ,1986 **Withdrawal** Gregory A. Daddis,2017 In a riveting sequel to his celebrated *Westmoreland's War* Daddis offers a bold new interpretation of America's first lost war Upending myths of a better war that led to victory in Vietnam *Withdrawal* is required reading for anyone hoping to understand the final years of American intervention in Southeast Asia **History of the Office of the Secretary of Defense** Alfred Goldberg,1984 **History of the Office of the Secretary of Defense** ,1984 **This Time We Win** James S. Robbins,2010 James S Robbins provides an antidote to the flawed Tet mythology still shaping the perceptions of American military conflicts against unconventional enemies and haunting our troops in combat In his re examination of the Tet Offensive Robbins analyzes the Tet battles and their impact through the themes of terrorism war crimes intelligence failure troop surges leadership breakdown and media bias *The Bridges of Vietnam* Fred L. Edwards,2001-05 As an intelligence officer during the Vietnam War Fred L Edwards Jr was instructed to visit every major ground unit in the country Go to Special Forces camps ground reconnaissance units armored cavalry units and waterborne reconnaissance units Search everywhere for intelligence sources long range patrols boats electronic surveillance and agent operations Don't get bogged down by dog and pony shows staged for colonels and generals *Review of Current Military Literature* ,1986 *Triumph Regained* Mark Moyar,2023-01-10 *Triumph Regained* The Vietnam War 1965-1968 is the long awaited sequel to the immensely influential *Triumph Forsaken* The Vietnam War 1954-1965 Like its predecessor this book overturns the conventional wisdom using a treasure trove of new sources many of them from the North Vietnamese side Rejecting the standard depiction of U.S. military intervention as a hopeless folly it shows America's war to have been a strategic necessity that could have ended victoriously had President Lyndon Johnson heeded the advice of his generals In light of Johnson's refusal to use American ground forces beyond South Vietnam General William Westmoreland employed the best military strategy available Once the White House loosened the restraints on Operation Rolling Thunder American bombing inflicted far greater damage on the North Vietnamese supply system than has been previously understood and it nearly compelled North Vietnam to capitulate The book demonstrates that American military operations enabled the South Vietnamese government to recover from the massive instability that followed the assassination of President Ngo Dinh Diem American culture sustained public support for the war through the end of 1968 giving South Vietnam realistic hopes for long term survival America's defense of South Vietnam averted the imminent fall of key Asian nations to Communism and sowed strife inside the Communist camp to the long term detriment of America's great power rivals China and the Soviet Union

Professional Journal of the United States Army ,1990 **Fighting Like a Guerrilla** Rajesh

Rajagopalan,2020-11-29 This book deals with two significant issues the peculiar and paradoxical question of why regular armies better suited to fighting conventional high intensity wars adopt inappropriate measures when fighting guerilla wars and the evolution of the Indian army's counterinsurgency doctrine over the last decade In addition the book also includes the

first detailed analysis of the trajectory of the army's counterinsurgency doctrine arguing that while it was consolidated only over the last decade the essential elements of the doctrine may in fact be traced back to the army's first confrontation with the Naga guerillas in the 1950s It outlines the three essential elements that make up the Indian army's counterinsurgency doctrine that there are no military solutions to an insurgency that military force can only help to reduce levels of violence to enable political solutions and that there should be limited use of military force Rajagopalan argues that international circumstances particularly the need to counter conventional military threats from Pakistan and China led to a counterinsurgency doctrine that had a strong conventional war bias This bias also conditioned the organisational culture of the Indian army

Rice Paddy Recon Andrew R. Finlayson, 2014-11-19 A young U S Marine officer recounts his experiences of the Vietnam War over a nineteen month period He graphically describes what it was like to perform three distinct combat missions long range ground reconnaissance in the Annamite Mountains of I Corps infantry operations in the rice paddies and mountains of Quang Nam Province and special police operations for the CIA in Tay Ninh Province Using Marine Corps official unit histories CIA documents and his weekly letters home the author relies almost exclusively on primary sources in providing an accurate and honest account of combat at the small unit level Of particular interest is his description of his assignment to the CIA as a Provincial Reconnaissance Unit PRU advisor in Tay Ninh Province where he participated in several secret missions as part of the controversial Phoenix Program The name and contribution of the CIA's most valuable spy during the war the famous Tay Ninh Source is revealed

The 25 Year War America S Military Role In Vietnam Book Review: Unveiling the Power of Words

The 25 Year War America S Military Role In Vietnam Introduction

In the digital age, access to information has become easier than ever before. The ability to download The 25 Year War America S Military Role In Vietnam has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The 25 Year War America S Military Role In Vietnam has opened up a world of possibilities. Downloading The 25 Year War America S Military Role In Vietnam provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The 25 Year War America S Military Role In Vietnam has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The 25 Year War America S Military Role In Vietnam. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The 25 Year War America S Military Role In Vietnam. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The 25 Year War America S Military Role In Vietnam, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices

have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The 25 Year War America S Military Role In Vietnam has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About The 25 Year War America S Military Role In Vietnam Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. The 25 Year War America S Military Role In Vietnam is one of the best book in our library for free trial. We provide copy of The 25 Year War America S Military Role In Vietnam in digital format, so the resources that you find are reliable. There are also many Ebooks of related with The 25 Year War America S Military Role In Vietnam. Where to download The 25 Year War America S Military Role In Vietnam online for free? Are you looking for The 25 Year War America S Military Role In Vietnam PDF? This is definitely going to save you time and cash in something you should think about.
