The Almond Tree:

The Flowering of the Almond-tree, and Other Poems Christian Burke,1901 **The Almond Tree** Alex Comfort,1942 **The Almond Tree** Robin Steves,2009-07-30 A long dirt road flanked by an orchard of blooming almond trees is the pathway to a mysterious and magical land The wondrous place lies somewhere deep inside the trunk of a giant almond tree Its a land full of danger and adventure but more importantly a land full of wisdom and knowledge A battalion of celestial honeybees chases an eight year old boy to the entrance of this place Joshie Levitt is mourning the loss of his parents and asking the question every human being asks about death and loss why A menagerie of strange creatures and unusual beings are waiting for his arrival and preparing their answers to his question Joshie is given the keys to the city but must first open all its gates and find all its treasures before he can return home to his grandparents farm Joshies quest for the ultimate answer will be both exciting and dangerous but worth the risk The experience will change his life forever **The Almond in California** Ralph Hawley Taylor,Guy Lockhart Philp,1925 **The Almond Tree. [Autobiographical Reminiscences.]** Martha Edith von ALMEDINGEN,1947 **Outlines of sermons on the miracles and parables of the Old Testament, by a London minister [W. Harris].** W. Harris,1878 **The Almond Tree** Saint Francis (of Assisi),W. L. Bushey,White Horse Press,Miniature Book Society. Grand Conclave,1987 **The Milk of Almonds** Louise A. DeSalvo,Edvige Giunta,2003-08 Often sentimentalized as nurturing through food Italian American women have continually struggled against this stereotype to speak of the realities of their lives In *The Milk of Almonds* more than 50 writers speak in voices that are loud boisterous sweet savvy and often subversively comical Drawing on personal and cultural memory rooted in experiences of food here Italian American women dissolve conventional images replacing them with a sumptuous communal feast of poetry stories and memoir Though they begin with food the writers in this collection quickly carry the reader into unexpected terrain as they bear witness to experiences often considered unspeakable A deeply satisfying literary banquet *The Milk of Almonds* is an unprecedented collection amply revising all received notions of what it means to be an Italian American woman Book jacket

HIGH ON THE MOUNTAIN B. V. Johnson,2014-07-29 High on the Mountain is a prophetic and historical documentation of the Jewish people Four thousand years ago the Jewish people were in an area which would two thousand years later be named by the Romans as *Palestina* God made a covenant with Abraham and his descendants that the land would be theirs forever Prophecy stated that the Jewish descendants would go into captivity Four hundred fifty years later they were led from their Egyptian captivity and occupied the land of their fathers High on the mountain of Moriah was a city called Jerusalem which would become their capital city under David There was also a thirty five acre plot of land that had been dedicated as the Temple Mount and would become known to the world as the holiest plot of land in the world The Jewish people and their beloved city would survive until 587 BC when they were taken into captivity by the Babylonians They would return to the land that they considered their homeland They were almost completely destroyed by the Romans in AD 70 and would be

scattered throughout the world The land became a desolation and unproductive just as prophecy had stated Although they have been subjected to a multitude of attacks cruelties persecutions and deaths by the millions they would again return to their beloved land and become the Nation of Israel They would reclaim their capital city of Jerusalem and the Temple Mount A land that was said to be dead forever would again flourish and become productive Why was this land so important What is their claim to the land Who actually owns the land How could a land become productive again and better than before What has the prophetic word of God said about this land and these people High on the Mountain will address all these questions and much more *The Almond Paradox* Emily Reisman,2025-11-11 A free ebook version of this title is available through Luminos University of California Press's Open Access publishing program Visit www.luminosoa.org to learn more Almonds have become a poster crop for agriculture's environmental controversies Notorious for consuming vast volumes of water and trucking honeybees across the continent California's almond orchards appear extraordinarily needy In Spain however almond trees have long epitomized the exact opposite rain fed resilience Often planted at the margins of agricultural viability almonds are championed for their ecological thrift rather than their thirst How is it that a crop can be known in such radically different ways The Almond Paradox explores a captivating contrast between divergent ways of knowing not only how much water or pollination almond trees need but also which trees should be grown and where Charting the buildup to a global almond boom the book exposes how situated histories of capitalism land science and the state profoundly shape the most fundamental ways of understanding agriculture A recognition of knowledge as place based further reveals how seemingly placeless efficiency deepens ecological precarity *The Imperial Bible-Dictionary* Patrick Fairbairn,1866

Household Stories Jacob Grimm,1876 *Food and World Culture* Linda S. Watts,Kelty Clark-Mahoney,2022-08-23 This book uses food as a lens through which to explore important matters of society and culture In exploring why and how people eat around the globe the text focuses on issues of health conflict struggle contest inequality and power Whether because of its necessity pleasure or ubiquity the world of food and its lore proves endlessly fascinating to most people The story of food is a narrative filled with both human striving and human suffering However many of today's diners are only dimly aware of the human price exacted for that comforting distance from the lived world realities of food justice struggles With attention to food issues ranging from local farming practices to global supply chains this book examines how food's history and geography remain inextricably linked to sociopolitical experiences of trauma connected with globalization such as colonization conquest enslavement and oppression The main text is structured alphabetically around a set of 70 ingredients from almonds to yeast Each ingredient's story is accompanied by recipes Along with the food profiles the encyclopedia features sidebars These are short discussions of topics of interest related to food including automats diners victory gardens and food at world's fairs This project also brings a social justice perspective to its content weighing debates concerning food access equity insecurity and politics **Plant lore, legends and lyrics** Richard Folkard,1884 **The Book Of Jeremiah**

James Hastings, Here is a gold mine for the preacher the teacher and the father and mother in the home who have it in mind to inculcate sound teaching based upon the Word of God so that the boys and girls of the congregations Sunday Schools and households may be thoroughly rooted and grounded in the essentials of the Christian faith There are many volumes in this series of short addresses and they cover the entire range of the Holy Scriptures from Genesis to Revelation The material gathered here is fresh and varied and there is just enough of it to furnish the groundwork of the preacher s sermon the Sunday school teacher s talk and the parent s reading and comment
