The Alpha S Beautiful Mate Ruh Esi 1:

An Alpha's Mate 1 - 3 Arian Wulf, 2019-09-18 In this book three prey shifters fall for Alpha Werewolves who tear down their defenses and devour them in more ways than they could've ever imagined Here you will find An Alpha s Mate 1 Love Bites Prey Weak Inferior A were rabbit farmer from nowhere Aurora knows it's important she keeps her head down and stay out of trouble when she's in a city full of predator shifters She manages to do the exact opposite when she accidentally stumbles into the path for a pack of alpha werewolves She tries to make a run for it but an alpha werewolf lunges for her neck and declares her his mate You ran little rabbit he says I caught you And now you're mine An Alpha s Mate 2 Chained Ariel is a rare creature one that the right collector or scientist would pay handsomely for She knows if she's captured she will be studied experimented on and trapped in a cage forever So she runs and hides clinging onto her freedom desperately until it is prised from her hands Her fate now lies with the hunters who captured her But there is an Alpha in their midst a werewolf who wants to do more than admire her beauty from behind glass cages He wants to break her chains shatter her will and utterly consume her Will she be able to handle the brutal strength of his passion or will she be claimed by it An Alpha s Mate 3 Savage She looks like something from his darkest fantasy Devastatingly beautiful and perfect in every way She has a family of rabbits gathered around her and she's keeping them safe he smirks from him The last thing Alpha Donovan expects to find when he scents unfamiliar animals in his territory is a feral shifter so lost in her animal that she's forgotten how to be human He really doesn't know how to deal with her especially not with his Heat coming up He's going to have to learn Excerpt 4 000 000 She hears someone say an unfamiliar noise like the man has been waiting to make his bid There's silence from the crowd The man's voice demands attention submission There's a vibration in the air a danger of fight No one speaks unwilling outbid the Alpha The bid is at 4 000 000 Going once Silence in the room Going twice The auctioneer pauses no doubt looking around hopefully to see if anyone is willing to buy her for higher She wonders how much she should be worth There is a note of disappointment in his voice when he announces Sold to Mr Damien She lets out her breath from where she's been holding it Mr Damien sounds like a kind safe man Not a scientist not an academic Perhaps she'll come out of this alive yet She is reeling from the shock of being sold for such a high price when her collar is suddenly being held and she's being dragged back behind the stage She hears someone whimpering and a man breathing hard delivering blow after blow Four million She recognizes his voice as the man in the dungeon and realizes he's beating up the man who struck her face from his pleas She could've gotten three times that if you didn't ruin her face Alpha Aiden I'm sorry Please She hears the man whimper and cough when he is hit again The man chokes on his own spit and Ariel hears Alpha Aiden's shoes hitting the man's body Take off her mask he says Light blinds her the moment the mask is wrenched off He looks vastly displeased She tries not to shrink back in fear She sees the man who scratched her face and is sickened by the sight of the man on the floor He's wearing a collar like her own one that stops him from shifting and healing Still so beautiful even with the scar he says

She fidgets warily and tries to turn away Don't he says firmly taking hold of her collar and gripping it tightly I would've taken you for myself She briefly catches his eyes before blushing and abruptly turning her gaze elsewhere She feels vulnerable with him dazzled and overpowered by his mere presence Perhaps it is going to be this way with all the Alphas she meets but she suspects Alpha Aiden commands power Alas Damien stated his claim for you even before the hunt started he says with mild distaste I'd take this off so you can heal but you'd just run off the second I do wouldn't you he says The only noise she offers up is a grunt of pain when he presses his fingers into the scratch marks on her cheek He squeezes his fingers making her pucker her lips How about a kiss before you go hmm He doesn't wait for her to answer just pulls her face to his and presses a wet kiss on her lips His hand clutches her throat pulling her forward and she quivers her lips parting in stunned shock He does not try to taste her and she finds the thought painful She arches into him trying to deepen the kiss His lips curve upwards in satisfaction He is the one to break the kiss It takes a moment for her to be herself again for the fog of her desire to lift When it does heat rushes to her cheeks She reels back shock and humiliation on her face You disgust me He laughs I disgust you Wait till you meet the man who bought you He places the mask back on her face

An Alpha's Mate 1 - 6 Arian Wulf, 2019-10-26 This complete bundle features six steamy standalone stories Innocent young women fall for Alpha Werewolves who take no qualms in taking absolute and complete control of every aspect of their lives and of their bodies The human women are no match for their piercing fangs and cutting claws nor their devouring touches and possessive clutches PG Excerpt He looms in front of her not caring to put the same show his uncle is His lips pull back in a half snarl when she growls at him You're in my territory little kit he says his voice carrying enough authority to make lesser beings tremble State your business His uncle sends him a withering look that he ignores pointedly Donovan I don't think it's wise to scare her She's obviously terrified She's on my land he says his top lip lifting in a snarl He does not appreciate being challenged on his land His uncle backs down wisely I don't think she knows that his uncle tries to keep his tone neutral The lynx was turning from one man to the other as if trying to figure out what they're saying Donovan can smell the fear and uncertainty pouring out of the lynx He times it perfectly waiting until she turns her attention back to his uncle before he lunges at her capturing her with a strong arm around her neck pinning her bodily with the full weight of his own She trashes beneath him strong but not strong enough to buck him off completely He keeps her pinned with surprising ease and can't help but marvel at how soft her fur is how nice it

feels to have her under him like she belongs there She smells like tree bark and twigs like she s been trying to live on a rabbit s diet for too long There s blood on her the metallic stench almost overwhelming the stench of fear and pain He can hear her rasping breath and the whine of pain she makes when the rabbits started to move away from her disappearing over the top of the gully before she can pull herself off him and gather them back She makes a deep growling noise that vibrates through his bones and then stars mewling It s s soft painful noise that almost makes him release her For god s sake be gentle his uncle growls but knows better than to try and approach them aware that this is his territory and therefore his prey He doesn t inform his uncle that his hold is gentle He s barely putting weight on her now She bristles her lips pulling away from her teeth in an angry snarl He growls at the large cat all teeth and anger She trashes beneath him growling in agitation Submit he growls keeping her pinned The little lynx growls and tries to get up Submit he snarls pressing down on her back She makes a soft keening noise as the pressure increases He s been in enough fights to know that it will take more than the chokehold to render her unconscious She continues to buck against him trying to throw him off her with the weight of her body but her attempts are futile Donovan you re being unreasonable We don t even know if she s conscious his uncle argues She just has to submit he says The kit whimpers and as if she understood that and then flops onto the ground tilting her neck to the side in a sign of submission Good girl he says releasing his hold on her
