Transformation of Love Elif Güvendi Yalçın, 2022-11-03 Romances date back to the creation of stories Although the definition of the genre has changed in time from the Ancient Greeks to the

Bildungsromans to the 19th century and today's courtship novels both scholarship and widely held attitudes towards romance has remained fixedly and prioritized only the universality, unoriginality and continuity of romance fiction instead of its sociocultural effect of promoting positive ideals like female empowerment. The portrayal of women in social roles has been in a state of constant change including their relationship with and relation to men. This book explores only medieval historical romance fictions and their changes through the course of the time. I examine three medieval romances: content: Walter Scott's *Ivanhoe* 1920, Kathleen Woodiwiss's *The Wolf and the Dove* 1974 and Amanda Quick's *Mystique* 1995, written in different time periods based on content analysis using Anthony Giddens's 1992 theories of intimacy. In addition, it will address romance novels' views about sex, gender and love roles.

The Alpha Savior GValencia, After losing the love of his life and his unborn child several years ago, Alpha Maximillian had lost the joy to live. All he did was burying himself in his duty as the alpha of Azure Blood Pack. However, his life changed forever one day when he stumbled across his mate who happened to be a mere human being who became the target of his lifetime enemies, the witches from the Vichell Clan. How will this forbidden story between a powerful alpha and an innocent yet clever human unfold?

Miles for Love Series Box Set Sandra Alex, 2021-03-09. Miles for Love Series Books 1 to 5. Book One: Crossing Boundaries. Daniel and Kayla. A ruthless ex-Abandoned medical degree. And a woman who will make Daniel forget all that I'm still swooning over Daniel and Kayla's love story. I so loved their playful banter throughout the entire book and I loved watching their story unfold. I really didn't want this book to end. Steamy sex scenes but not an overabundance. I was teary-eyed over Kayla's loss and shocked with the characters that were involved in the dramatic twist. A definite must-read. I enjoyed Sandra Alex's writing so much I purchased her Ford Brother series within minutes of finishing this book. Book Two: Crossing Oceans. Aleks and Mallorie. A shallow Latvian gymnast. An ex-military single mom. A journey that alters more than passports. Loved the next book in the series. Once again, Sandra Alex has written about love, friendship and family. The characters are made real and believable with real-world worries and events. Loved the Latvian scenery as it also came to life after reading it on the page. Look forward to Christopher's story next. Book Three: Crossing Roads. Christopher and Ashley. He doesn't know he's tarnished. She unknowingly sees his wounds. But can you fix a broken ghost? The two of them together are unbelievable, probably because of the deep friendship that develops first. Every time I read a book in this series, I love it more than the one before. Book Four: Crossing Hearts. Tyler and Ripley. The wrong husband. The right lie. The serendipitous attack. The second chance that's always been there. A deeply driven romance read full of unexpected outcomes. I look forward to reading how Grant finds love. Book Five: Crossing Borders. Grant and Frankie. One love that isn't enough. One love that is. And the choice that could ruin a family. Great ending to a great series. Fall in love with the Lynch family today. Coming in April 2021 is a whole new rock star romance series. Included in this box set is an exclusive five-chapter sample of book one: Dress Rehearsal. Come and get it while you can.
