The Amorist True Love:

The Amorist Webster Joseph,2011-06-22 To all mothers workaholic and alcoholic homeless helpless and drug addict there are times that you have been terrific even during times that you have been sick These sentences come from my poem title mother s day I am dark I am not from France or Beijing neither from Japan nor Italy but from the same place of opportunity These sentences come from my poem title I am black My heart is so humble I avoid it to be trouble This could lead me to get my fame instead of living sad and ashamed These sentences come from my poem title a heart of love These words come from the inspiration of my heart I welcome you to be part of my world to accept love in your heart because it will live forever through you and us and I we may not be able to share it with everyone that we love but at least we must try If it is refused it is not our fault instead it is their fault love is not about you or me but it is about you and me to stick together all the time these sentences come from my poem title love is not about Therefore as long as we talk about love we read about love and we dream about love we will stick together for much more longer than ever to enjoy life Webster Joseph **The**
