Sassoon On The Art Of Creative Writing Elias Sassoon, 2011-02-23 The book is a compilation of articles I wrote for my daily blog on Facebook. The focal point is the life of the everyday beaten down writer and what it takes to be a writer facing the ordinary adversities of the craft. I don't try to sugarcoat anything instead I attempt to let you know what it means to be a functioning writer who struggles for each word and struggles with the lack of financial and commercial success. How does the ordinary writer who works at a mundane job by day and writes by night hold it together? How do they continue to be productive? How do they continue to inspire themselves in a world that doesn't care? How do they keep themselves from becoming bored? All of this is explored in the articles contained in this small book on the creative writing process. I hope it can act as an inside look to all those interested in the subject or working in the field.
