Pink,2021-11-11 If you want to get to know someone well it is helpful to learn their attributes characteristics Similarly if you want to know God well you need to understand what His attributes are Consider how God enriched our life by creating humans in his image Genesis 1 27 That indicates that he made it possible for us to reflect his superior attributes qualities in a small way He endowed us with spiritual capacity or the ability to understand his views and values As we endeavor to live by these we enjoy greater happiness and meaning in life More than that he gave us the potential to build a relationship with him The 20 short chapters in the second edition of THE ATTRIBUTES OF GOD by Arthur W Pink help readers discover the truth about God s most significant characteristics or qualities attributes Edward D Andrews an author of 170 books has updated archaic language added two additional attributes of God a modern literal translation for quoted Bible verses adding some 60 pages of material **Attributes of God pamphlet** Rose Publishing,2012-02-21 Experience the relief joy and hope that comes from deepening your understanding of God s identity with Rose publishing s Attributes of God Rose Publishing s Attributes of God a full color 14 page pamphlet explains 20 traits of God in an easy to reference chart This easy to understand pamphlet explains each attribute and provides probing questions and devotion based activities to help you apply the insights to your personal walk 5 Ways Knowing God s Traits Will Improve Your Life Perspective Logically knowing God s traits is not enough to change our perspectives We need an overview that allows us to meditate on his traits and that suggests practical ways to apply his identity to our everyday lives Knowing God s attributes will affect your Worship by deepening your understanding of God s praiseworthy attributes Life Perspective by enabling you to discover the hope that

Khalilizand, 2024-03-18 The debate over Allah's attribute the nature and the inner articulation of Allah is one of the focal debates in the intellectual history of Islam This edited collection aims to highlight and examine some aspects of this debate in their original context based on the relevant primary literature By showing that even an apparently self-evident concept such as Allah which lies at the heart of every reading of Islam is highly ambiguous and polysemous the chapters also emphasise the plurality that has always existed in Islamic thought Through highlighting the philosophical and theological reflections on the concept of Allah the results of this study challenge the juristic reading of Islam in which Allah's function consists mainly in providing a detailed plan for the human life and also rewarding or punishing the ones who deviates from it The book also attempts to demonstrate the relevance and the actuality of the tradition and to stress its contemporaneity This volume makes a significant part of the intellectual tradition of Islam accessible for students and scholars of Islamic theology Islamic philosophy Islamic studies and the like as well as providing a secondary source for teaching on the debate in question

The Attributes of God Volume 2 A. W. Tozer, 2007-02-14 The most important question we can ask For A W Tozer there is no question more important than What is God like The desire to know God consumed his entire life and ministry That's why

those who read him come to know God more intimately Originally preached as sermons to the Avenue Road congregation in Toronto this follow up to The Attributes of God Volume 1 examines ten more attributes of God It also includes a study guide for an in depth look at each attribute Self Existent Transcendent Eternal Omnipotent Immutable Omniscient Wise Sovereign Faithful Loving Steeped in Scripture and filled with the Spirit Tozer preached with striking clarity and power The sense of his sermons comes through on every page bringing the Word of God to bear upon you *Sermons on the Attributes of God* Whitby,1710 **Jehovistic names and titles of God. Tozer,2024-02-22 The decline of the Knowledge of the Holy has brought on our troubles A rediscovery of the majesty of God will go a long way toward curing them It is impossible to keep our moral practices sound and our inward attitudes right while our idea of God is erroneous or inadequate If we would bring back spiritual power to our lives we must begin to think of God more nearly as He is Sparks of Divine Glory: A Practical Study of the Attributes of God C. Matthew McMahon,2022-03-16 Is there a good reason to study the doctrine of God Knowing God or not knowing God has eternal consequences to it The Savior came to explain the Father John 1 18 and he said that eternal life is knowing God and knowing Jesus Christ whom God sent John 17 3 Such a knowledge must include something more than a mere knowledge of facts It must show a relationship of those facts one to another and how they relate as a whole to the life of the believer Such a study must show what the spiritual benefits are to the redeemed which then turns to the spiritual experience they have as they grow in Christ This volume deals with the application of the knowledge of God and how the doctrine of God should be a practical every day consideration in the life of the redeemed believer McMahon covers all the revealed Biblical attributes and perfections of God which also include some not generally considered He covers that God is incomprehensible Trinitarian glorious a pure spirit self sufficient simple unified impassible immutable infinite omnipresent eternal invisible omniscient all wise light truth free holy good faithful love gracious merciful longsuffering sovereign omnipotent righteous just wrathful jealous and eminently beautiful He ends with a concluding chapter on how the Christian should always be rejoicing in God s majesty
