Misapplied Magic - Pleasing the Professor Farleven,2018-06-24 Misapplied Magic Pleasing the Professor A Magical Erotic Transformation Adventure When wild magic is loose class time can take on a whole new meaning Maggie always had a soft spot for her old history professor Jeff He was something of a hapless middle aged man slightly unkempt with a penchant for tweed jackets with elbow patches and wire rim glasses He loved teaching and he loved listening to Maggie's stories She suspected that he was just a bit of a kinky fellow but at least he was honest about it Maggie didn't always like to share her stories The world she saw was so unlike the one normal people saw and it was a lot more wild No one would believe she was a sorceress who spent her time chasing down outbursts of magic that made people's fantasies come to life The fact that most of those fantasies revolved around lustful daydreams made it a bit harder to talk about but Jeff loved to listen even if he didn't believe any of it was true He always told her that he wished he could be in one of her arousing tales Maggie just laughed him off until today when an unexpected explosion of magic lands them both in a fantasy classroom full of lustful coeds Now Maggie needs to be the first one to seduce her old Professor so she can take control of the magic and get them all back to reality but in a room full of shapely eager women does she have what it takes to beguile him and then take him to the heights

Gender Bending Investigations - Part 5 - Revelations

Farleven,2018-09-18 I was in I d never have imagined myself as some kind of spy before or that I d be able to work my way into an organization so well Just over a week ago I d been one of the agency s top analysts and a man Now I was an attractive young woman who had succeeded in getting access to the inner workings of Patrick Oswald s corporate empire Getting in was surprisingly easy but the truly shocking thing was how good Oswald was in bed I d already come to know the full pleasures that came with being a woman but there was something special about the way Oswald knew how to handle my new body He could take me to the heights of ecstasy and keep me there and I couldn t stop myself from enjoying every moment I spent with him Despite my growing feelings for Oswald I had a job to do Now that I had access to all of his data it was time to bring my investigation to a close I had to discover what he was hiding and finally confront my true feelings for him and my new feminine existence Transgender erotica gender swap gender bending sex change billionaire coworker **Misapplied Magic** Farleven,2018-06-21 Misapplied Magic A Magical Erotic Transformation Adventure Wild magic can certainly spice up your day Maggie has always had the ability to see magic and the ability to tame it It didn t take her long to learn that others couldn t despite regaling them with the stories of the strange creatures and flowing energies that filled the world but went unseen by all but a few It wasn t until years later that she happened across a wizard willing to teach her about her powers and what she could do with them Now she bounded around hunting down outbursts of wild magic so that she could keep it from wreaking havoc and to grow her own power The trouble was to tame the magic she had to let it enchant her and become part of the fantasy world that magic would create Given how often people drifted into sexy daydreams Maggie usually found herself diving into one erotic adventure after another Today was another of those days after keeping her friend Nora from becoming enchanted Maggie jumped into an outburst of wild magic Inside its pocket of reality was a hot party

Gender Bending Investigations - The Complete Bundle Farleven, 2018-12-11 This was the last assignment I expected As an agency analyst I'd spent the last several years investigating the rise of Patrick Oswald from small timer to one of the richest and most powerful men on Earth There was something rotten at the core of his success and we'd already lost several agents trying to find it What we needed was to get someone inside deep inside all the way to his inner sanctum where his personal data could be accessed That's where my assignment came in They needed someone who knew all of his deals and everything else about him and after five years I was the person The only problem was to get in that deep they needed a woman and since I wasn't one they were going to make me a woman A little nanotechnology went a long way and I was soon

on my way to being just the kind of brunette that Oswald swooned after There was just one more thing I needed to do before starting my new mission One night of wild passion to prove that I d have what it takes to succeed The whole feminine side of the equation was new to me but with the right man I soon learned just how much I could enjoy this assignment This bundle is the complete story including Part 1 Part 2 The Roman Baths Part 3 The Magnate Part 4 Distractions and Discoveries Part 5 Revelations
