

GEOGRAPHY PROJECT

The Geography Project explores themes in Geography and their connections to Global History. In this research project you will acquire the definitions most commonly associated with physical and cultural geography, identify the five (5) themes of geography, explore the geography of Africa, Europe, Asia, and Central and South America, and connect geography to civilizations and nations using the theory of Geographic Determinism.

Directions: As you complete each section and/or activity, put an "X" when completed.
