Comparative Sociology of Examinations Fumiya Onaka,2019-03-28 Contemporary societies are constructed constricted
 and constrained by various series of examinations Governments of both Western and non Western countries tend to conduct
 detailed multi layered and continuous systems of tests or examinations International tests such as PISA and TIMSS have also
 been introduced to compare the relative performances of learners within diverse educational institutions across different
 countries Examinations therefore provide a methodological pivot for comparing a range of societies They enable us to
 contrast the West and the East the North and the South tribal and mass society ancient and postmodern civilization and so on
 Comparing parallel societies from across Asia the Middle East Europe and North America this book proposes fundamental
 transitions in sociological research from system to process and from communication to composition through intensive studies
