Education and Society in Comparative Context Eija Kimonen, 2015-12-17 What was the interrelationship between education and society during the twentieth century in the United States and India What is the essence of the historical development of educational policies and social systems in these two countries What philosophical views and developmental courses underlie their outdoor oriented education What are their aims of outdoor oriented education What procedures are connected with their outdoor oriented education These questions are examined in this unique volume This book is divided into three parts The first part creates a context for the comparison of the issues concerning education and society The central point of departure used here regards education as being closely related to the totality of culture and human activity The dialectic process between education and society is realized differently in accordance with the value objectives that provide the background for different societies This comparative educational study uses a historico hermeneutical approach The second part analyzes the social systems and educational policies of the United States and India following their developmental trends and patterns The nature of the relationship between education and society for each country is further brought into focus when it is interpreted from the perspective of the philosophical views pedagogical aims and procedures of twentieth century outdoor oriented education The case studies provide an interesting insight into how changes in educational policy have been reflected in the every day pedagogical procedures used in schools in the United States and India The third part is an analysis and comparison of the phenomena previously presented that are related to education and society through the lenses suggested by sociological theories It compares the dimensions of the interrelationship between education and society from the standpoint of outdoor oriented education in the two countries during the twentieth century This thought provoking volume is intended for anybody interested in the interplay between education and society in all its complexity It offers a fascinating journey into the past and present of the issues that have defined the development of education and society in the United States and India *The World's Urban Forests* Joe R. McBride, 2017-02-07 The purpose of this book is

to examine urban forests in cities around the world It will ask questions about the history composition structure and management of trees in urban areas Data for this book was collected in 33 cities across broad geographical areas known as biomes Constraints and opportunities imposed on urban forest composition design and management by the ecological characteristics of these biomes will be examined The book will also address the cultural and historical factors that influenced the characteristics of urban forests around the world Handbook for Teaching Introductory Psychology Michelle Rae Hebl, Charles L. Brewer, Ludy T. Benjamin, Jr., 2001-08-01 Like its predecessors Volume III of the Handbook for Teaching Introductory Psychology provides introductory psychology instructors with teaching ideas and activities that can immediately be put into practice in the classroom It contains an organized collection of articles from Teaching of Psychology TOP the official journal of the Society for the Teaching of Psychology Division 2 of the American Psychological Association Volume III contains 89 articles from TOP that have not been included in other volumes Another distinction between this volume and its predecessors is its emphasis on testing and assessment The book is divided into two sections Section One Issues and Approaches in Teaching Introductory Psychology contains 52 articles on critical issues such as how to approach the course understanding students interests perceptions and motives students existing knowledge of psychology including their misconceptions a comparison of introductory textbooks and tips on how to evaluate them test questions and student factors affecting exam performance an overview of different forms of feedback giving extra credit and how to deal with academic dishonesty Section Two consists of 37 articles that present demonstrations class and laboratory projects and other techniques to enhance teaching and learning in both the introductory as well as advanced courses in the discipline This section is organized so as to parallel the order of topics found in most introductory psychology textbooks Intended for academicians who teach the introductory psychology course and or oversee grad assistants who teach the course all royalties of the book go directly to the Society for the Teaching of Psychology to promote its activities to further improve the teaching of psychology Cuisine and Culture Linda Civitello, 2011-03-29 Cuisine and Culture presents a multicultural and multiethnic approach that draws connections between major historical events and how and why these events affected and defined the culinary traditions of different societies Witty and engaging Civitello shows how history has shaped our diet and how food has affected history Prehistoric societies are explored all the way to present day issues such as genetically modified foods and the rise of celebrity chefs Civitello's humorous tone and deep knowledge are the perfect antidote to the usual scholarly and academic treatment of this universally important subject **Resources in Education**, 1997-05 *Research in Education*, 1969 *Florida's Snowbirds* Godefroy Desrosiers-Lauzon, 2011-09-01 Developing numerous themes including leisure state promoted tourism citizenship and business investment Godefroy Desrosiers-Lauzon considers advertisements movies policymakers and the behaviour of snowbirds in Florida to provide the most thorough study of the vacation state to date He also looks at the temporary communities of Canadians Qu'becois New Englanders and Mid Westerners that develop

showing how they blur the lines that usually divide national and regional identities and youth and age An insightful work full of amusing details Florida s Snowbirds pieces together a complete cultural atlas of Florida Snowbirds that goes far beyond the familiar postcards they send home **The Software Encyclopedia** ,1986 ENC Focus ,2001 A Black Educator in the Segregated South Gerald L. Smith,2021-03-17 Black college presidents in the era of segregation walked a tightrope They were expected to educate black youth without sufficient state and federal funding Yet in the African American community they were supposed to represent power and influence and to be outspoken advocates of civil rights despite the continual risk of offending the white politicians on whom they were dependent for funding The dilemmas they faced in balancing these conflicting demands have never been fully examined Gerald Smith s study of the long time president of Kentucky State College helps fill that void From 1929 to 1962 Rufus Ballard Atwood served as president of Kentucky State As chief administrator of the state s foremost black institution he worked closely with black educational organizations and was often chosen by whites to represent the African American community on various boards and commissions These appointments gave him access to the state s political and educational power structure and Atwood proved to be a skilled diplomat but his influence was frequently at risk In his ground breaking study Smith examines Atwood s political relationships with state officials and his efforts to improve education for African Americans in Kentucky and the nation He also appraises Atwood s contributions to Kentucky State and his relationship with faculty and students and evaluates his contributions to the civil rights movement in Kentucky Most important Smith compares Atwood s style of leadership and the circumstances he confronted in Kentucky with those of black college presidents in other southern states A Black Educator in the Segregated South offers an important look at a complex role played out by a remarkable man in an era of change and conflict
