Teaching Ethics through Literature Suzanne S. Choo, 2021-07-01 Teaching Ethics through Literature provides in depth understanding of a new and exciting shift in the fields of English education Literature Language Arts and Literacy through exploring their connections with ethics The book pioneers an approach to integrating ethics in the teaching of literature This has become increasingly relevant and necessary in our globally connected age A key feature of the book is its integration of theory and practice It begins with a historical survey of the emergence of the ethical turn in Literature education and grounds this on the ideas of influential Ethical Philosophers and Literature scholars Most importantly it provides insights into how teachers can engage students in ethical concerns and apply practices of Ethical Criticism using rich on the ground case studies of high school Literature teachers in Australia Singapore and the United States **James Madison High School**

, 1987 James Madison High School William John Bennett, 1987 Business Education in Emerging Market Economies

Ilan Alon, John R. McIntyre, 2006-02-23 Business Education in Emerging Market Economies discusses the impact of business education on emerging markets and explores curricular innovation pedagogical approaches and strategic alliances in the context of industrializing economies Emerging markets contain 80% of the world's population and some 75% of its trade growth in the foreseeable future according to the U S Department of Commerce The potential economic growth of these emerging markets has prompted a need to understand their dynamics business institutions and educational systems Many American universities for example have responded to the demand of their students and business partners by educating them about the exciting opportunities and lurking threats in these industrializing economies This book contains multiple chapters designed to educate American students about the curricular innovations and course development occurring in emerging markets Resources in Education, 2001 Research in Education, 1974 **Violence Prevention and Safety**

Promotion in Higher Education Settings Badea, Mihaela, Suditu, Mihaela, 2017-08-10 Nonviolent environments are desirable in many areas of life yet none are as essential as within our educational institutions Providing a safe space for students has become a critical concern in modern society Violence Prevention and Safety Promotion in Higher Education Settings is a vital resource that examines the current sources of violence within educational systems and it offers solutions on how to provide a safer space for both students and educators alike Highlighting pertinent areas of interest including technological violence academic regulations nonviolent communication and gender discrimination this reference publication is ideal for academicians future educators students and researchers interested in recent advancements that aid in providing secure safe educational environments for everyone Critical Pedagogies for Modern Languages Education Derek Hird, 2023-07-13 In the context of Black Lives Matter decolonizing initiatives MeToo climate emergency protests and other movements for social and environmental justice this volume posits a simple question how can modern languages be taught so that they challenge rather than reinforce social inequalities Informed by interdisciplinary theories Critical Pedagogies for

Modern Language Education focuses on practical discussions of case studies in areas directly relevant to the classroom contexts of modern languages educators The volume transforms modern language educators and the modern language profession by putting the politics of language teaching at the centre of its analysis With case studies covering 11 languages Modern Standard Arabic Dutch English French German Levantine Mandarin Portuguese Spanish Swedish Tamazight across 13 countries and regions Austria Brazil China France Italy the Levant Morocco the Netherlands Palestine Spain Sweden the UK and the USA the contributors cover a wide range of theories including critical discourse analysis activist pedagogies culturally sustaining pedagogy linguistic justice and translanguaging With student teacher collaboration at its heart critical modern languages pedagogy unmasks the ideologies and hegemonies that lie behind mainstream language use and affirms the value of minority linguistic and cultural practices The volume thus provides transformative approaches to modern languages teaching and learning that respond to the key social concerns of the 21st century

Uncle Tom's Cabins Tracy C. Davis, Stefka Mihaylova, 2020-04-20 As Harriet Beecher Stowe's novel *Uncle Tom's Cabin* traveled around the world it was molded by the imaginations and needs of international audiences For over 150 years it has been coopted for a dazzling array of causes far from what its author envisioned This book tells thirteen variants of *Uncle Tom's* journey explicating the novel's significance for Canadian abolitionists and the Liberian political elite that constituted the runaway characters' landing points nineteenth century French theatergoers liberal Cuban Romanian and Spanish intellectuals and social reformers Dutch colonizers and Filipino nationalists in Southeast Asia Eastern European Cold War communists Muslim readers and spectators in the Middle East Brazilian television audiences and twentieth century German holidaymakers Throughout these encounters Stowe's story of American slavery serves as a paradigm for understanding oppression selectively and strategically refracting the African American slave onto other iconic victims and freedom fighters The book brings together performance historians literary critics and media theorists to demonstrate how the myriad cultural and political effects of Stowe's enduring story has transformed it into a global metanarrative with national regional and local specificity
