Gresham Machen ,Henry Manne ,Zach Montgomery ,Tommy Rogers,Dorothy Sayers ,T. Van Der Kooy , By every known academic measurement government subsidized secular compulsory education is a massive failure and getting worse Yet the American public continues to believe that government financed education is moral useful and basically a great economic bargain *The Sacrificed Generation* Lesley A. Sharp,2002-09-03 This fascinating study grounded in vivid depictions of local life relates to larger questions about the postcolonial exercise of political and economic power when ostensibly sovereign states such as Madagascar are so profoundly controlled by international organizations unattached to any particular state Sharp asks how young people in these radically changing circumstances are taught and teach themselves to understand their past present and future Gillian Feeley Harnik author of *A Green Estate* Sharp s work is in the best tradition of classic anthropology extending the critiques of Fanon Mannoni Memmi and Freire by examining the effects of the socialist revolution the birth of Malagasy nationalism and the imposition of a postcolonial pedagogy on the minds of the sacrificed generation Her detailed ethnography is superb Nancy Scheper Hughes author of *Death without Weeping* *The Literature 100* Daniel S. Burt,2008 Here is the revised and expanded edition of Daniel S Burt s fascinating assessment of the 100 most influential novelists playwrights and poets of all times and cultures now with 25 additional entries and some reassessments as well as 25 new black and white photographs and illustrations From Doris Lessing and Gabriel Garc a M rquez to Homer and Marcel Proust the entries provide a compelling accessible introduction to significant writers of world literature All of the writers selected have helped to redefine literature establishing a standard with which succeeding generations of writers and readers have had to contend The ranking attempts to discern from the broadest possible perspective what makes a literary artist great and how that greatness can be measured and compared Each profile distills the essence of the writer s career and character to help prompt consideration of literary merit and relationships by the reader *Government Leaders, Military Rulers and Political Activists* David W. Del Testa,2014-01-27 In each volume an introductory essay outlines of history of the disciplines under discussion and describes how changes and innovations in these disciplines have affected our lives The biographies that follow are organized in an A Z format each biography is divided into a life section describing the individual s life and influences and a legacy section summarizing the impact of that individual s work throughout history These biographies cover a diverse group of men and women from around the globe and throughout history Franklin Delano Roosevelt Mao Tse tung and Genghis Khan are among the 200 well known historical figures included in this volume Examples of other lesser known yet important individuals covered in this work are Gustavas Adolphus Swedish empire creator Hatshepsut queen of ancient Egyptian dynasty and Jean
