World War II A New History Hardcover:

WORLD WAR II , Stalin's War Sean McMeekin, 2021-04-20 A prize winning historian reveals how Stalin not Hitler was the animating force of World War II in this major new history World War II endures in the popular imagination as a heroic struggle between good and evil with villainous Hitler driving its events But Hitler was not in power when the conflict erupted in Asia and he was certainly dead before it ended His armies did not fight in multiple theaters his empire did not span the Eurasian continent and he did not inherit any of the spoils of war That central role belonged to Joseph Stalin The Second World War was not Hitler's war it was Stalin's war Drawing on ambitious new research in Soviet European and US archives Stalin's War revolutionizes our understanding of this global conflict by moving its epicenter to the east Hitler's genocidal ambition may have helped unleash Armageddon but as McMeekin shows the war which emerged in Europe in September 1939 was the one Stalin wanted not Hitler So too did the Pacific war of 1941-1945 fulfill Stalin's goal of unleashing a devastating war of attrition between Japan and the Anglo Saxon capitalist powers he viewed as his ultimate adversary McMeekin also reveals the extent to which Soviet Communism was rescued by the US and Britain's self-defeating strategic moves beginning with Lend Lease aid as American and British supply boards agreed almost blindly to every Soviet demand Stalin's war machine McMeekin shows was substantially reliant on American material from warplanes tanks trucks jeeps motorcycles fuel ammunition and explosives to industrial inputs and technology transfer to the foodstuffs which fed the Red Army This unreciprocated American generosity gave Stalin's armies the mobile striking power to conquer most of Eurasia from Berlin to Beijing for Communism A groundbreaking reassessment of the Second World War Stalin's War is essential reading for anyone looking to understand the current world order *World War Two* Jeremy Black, 2004-11-23 Cutting through over half a century of historical build up this new and convincing account of World War II uses a global perspective to explain the complicated course in military terms Black a distinguished military historian bucks the current trend to demilitarise and gives due weight to the campaigns and battles that made up the war In doing so he challenges common interpretations and includes new insights to make this one of the most exciting new histories of the Second World War Covering all the main areas of conflict the chronological approach includes analysis of attacks at land air and sea and a comparison of military resources The focus is always operational but social cultural and political aspects are also included Providing a crucial counterweight to previous histories Jeremy Black's *World War Two* offers fresh insights into operations at the Eastern Front and during the war against Japan **The Story of World War II** Donald L. Miller, Henry Steele Commager, 2001 The Story of World War II is a completely rewritten expanded and updated version more than 75 percent new of the classic narrative of the war that captures all the immediacy of the original work and contains hundreds of new firsthand accounts The Story of World War II contains more than 130 photographs and 22 maps **BOOK JACKET Title** Summary field provided by Blackwell North America Inc All Rights Reserved *The Real History of World War II* Alan

Axelrod,2008 Traces the causes of World War II explores the motivations of important people involved with it presents the events of the war grouped by the theater in which they took place and examines its aftermath **A Journey Through New Mexico History (Hardcover)** Donald Lavash,2006-07 Many conditions cultures and events have played a part in the history of New Mexico The author a recognized authority guides the reader from the earliest land formations into the present time and has illustrated the narrative with photographs maps and artwork depicting various changes that took place during the many stages of New Mexico s development Donald R Lavash taught New Mexico junior and senior high school history for 13 years and at the college level for two years This book is the outgrowth of his teaching experiences and his feeling of a strong need for a New Mexico history text Dr Lavash was also the Southwest Historian for the New Mexico State Records Center and Archives for five years He is the author of numerous articles and books on history and archeology **The Emergence of American Amphibious Warfare, 1898—1945** David Nasca,2020-05-15 The Emergence of American Amphibious Warfare 1898 1945 examines how the United States became a military superpower through the use of amphibious operations While other major world powers pursued and embraced different weapons and technologies to create different means of waging war the United States was one of the few countries that spent decades training developing and employing amphibious warfare to pursue its national interests Commonly seen as dangerous and costly amphibious warfare was carefully modernized refined and promoted within American political and military circles for years by a small motley group of military mavericks intellectuals innovators and crackpots This generational cast of underdogs and unlikely heroes were able to do the impossible by predicting and convincing America s leadership how the United States should fight World War II David Nasca reveals that despite the new ways that states have to project military power today as seen with airpower nuclear weapons cyber warfare and special operators amphibious warfare has proven to be the most important element in transforming the theater of battle In understanding how amphibious warfare allowed the United States to achieve geopolitical supremacy competitor states are now looking at America s amphibious past for clues in how to challenge the United States global leadership and expand its power and influence in the world **World War II** Spencer C. Tucker,Priscilla Roberts,2005-02-23 Designed with the more visual needs of today s student in mind this landmark encyclopedia covers the entire scope of the Second World War from its earliest roots to its continuing impact on global politics and human society Over 1 000 illustrations maps and primary source materials enhance the text and make history come alive for students and faculty alike ABC CLIO s World War II A Student Encyclopedia captures the monumental sweep of the Big One with accessible scholarship a student friendly image rich design and a variety of tools specifically crafted for the novice researcher For teachers and curriculum specialists it is a thoroughly contemporary and authoritative work with everything they need to enrich their syllabi and meet state and national standards Ranging from the conflict s historic origins to VJ Day and beyond it brings all aspects of the war vividly to life its origins in the rubble of World War I its inevitable

outbreak its succession of tumultuous battles and unforgettable personalities Students will understand what the war meant to the leaders the soldiers and everyday families on home fronts around the world Featured essays look at Pearl Harbor the Holocaust the atomic bomb and other crucial events as well as fascinating topics such as signals intelligence and the role of women in war A separate primary source volume provides essential source material for homework test preparation or special projects With a wealth of new information and new ideas about the war s causes course and consequences World War II will be the first place students turn for the who what when where and more importantly the why behind this historic conflict

U.S. Army Special Operations in World War II (Paperback format only) , *Three Plays of Maureen Hunter* Hunter, Maureen, 2003 Book is clean and tight No writing in text Like New Special Bibliographic Series US Army Military History Research Collection, 1977 Army History , 2010 Japan, a Modern History James L. McClain, 2002 Japan A Modern History provides a comprehensive narrative that integrates the political social cultural and economic history of modern Japan from the investiture of Tokugawa Ieyasu in 1603 to the present **History of the Mass Media in the United States** Margaret A. Blanchard, 2013-12-19 The influence of the mass media on American history has been overwhelming History of the Mass Media in the United States examines the ways in which the media both affects and is affected by U S society From 1690 when the first American newspaper was founded to 1995 this encyclopedia covers more than 300 years of mass media history History of Mass Media in the United States contains more than 475 alphabetically arranged entries covering subjects ranging from key areas of newspaper history to broader topics such as media coverage of wars major conflicts over press freedom court cases and legislation and the concerns and representation of ethnic and special interest groups The editor and the 200 scholarly contributors to this work have taken particular care to examine the technological legal legislative economic and political developments that have affected the American media *Armor* , 2009 Magic and Illusion in the Movies George Higham, 2024-11-13 From top hats to top secrets this book is a celebration of illusion technology and mechanisms of trickery through a genre crossing selection of films Heroes villains spies con men and madmen magicians all have utilized complex constructs and trickery in thrilling cinematic adventures from the earliest days of cinema to the present Current blockbusters such as Spider Man Far from Home and the Mission Impossible series feature amazing acts of deception often appearing far fetched that are in fact surprisingly close to today s technology Along with the James Bond saga classics such as The Wizard of Oz Nightmare Alley and The Sting are joined by a host of other movies superficially seeming to be very different yet proving there is more than meets the eye **Social History of the United States** Brian Greenberg, Linda S. Watts, Richard A. Greenwald, Gordon Reavley, Alice L. George, Scott Beekman, Cecelia Bucki, Mark Ciabattari, John C. Stoner, Troy D. Paino, Laurie Mercier, Andrew Hunt, Peter C. Holloran, Nancy Cohen, 2008-10-23 This ten volume encyclopedia explores the social history of 20th century America in rich authoritative detail decade by decade through the eyes of its everyday citizens Social History of the United States is a cornerstone reference that tells the story of 20th century America

examining the interplay of policies events and everyday life in each decade of the 1900s with unmatched authority clarity and insight Spanning ten volumes and featuring the work of some of the foremost social historians working today Social History of the United States bridges the gap between 20th century history as it played out on the grand stage and history as it affected and was affected by citizens at the grassroots level Covering each decade in a separate volume this exhaustive work draws on the most compelling scholarship to identify important themes and institutions explore daily life and working conditions across the economic spectrum and examine all aspects of the American experience from a citizen s eye view Casting the spotlight on those whom history often leaves in the dark Social History of the United States is an essential addition to any library collection **Military Affairs Catalog** United States. Superintendent of Documents,2000

Panzers East and West Dieter Stenger,2017-09-01 Organized and trained during 1943 the 10th SS Panzer Division saw its first action in the spring of 1944 during the relief of an encircled German army on the Eastern Front Several months later in response to the Allied invasion at Normandy the division returned to the West in mid June 1944 Here the division engaged in a series of armored attacks and counterattacks against British and American forces The 10th SS briefly held off a few enemy thrusts but gradually had to fall back to Falaise where the division escaped the Allied encirclement with no tanks and only a fraction of its men The 10th SS Panzer Division next defended against the Allied parachute assault during Operation Market Garden in September 1944 Depleted and now a division in name only the 10th SS fought in Alsace before Hitler sent it to the Eastern Front again There east of Berlin the division participated in the final battles to enable the escape of German soldiers and civilians from Soviet captivity *Big Week* Bill Yenne,2014-02-04 In just six days the United States Strategic Air Forces changed the course of military offense in World War II During those six days they launched the largest bombing campaign of the war dropping roughly ten thousand tons of bombs in a rain of destruction that would take the skies back from the Nazis The Allies knew that if they were to invade Hitler s Fortress Europe they would have to wrest air superiority from the mighty Luftwaffe The plan of the Unites States Strategic Air Forces was extremely risky During the week of February 20 1944 and joined by the RAF Bomber Command the USAAF Eighth and Fifteenth Air Force bombers took on this vital mission They ran the gauntlet of the most heavily defended air space in the world to deal a death blow to Germany s aircraft industry and made them pay with the planes already in the air In the coming months this Big Week would prove a deciding factor in the war Both sides were dealt losses but whereas the Allies could recover damage to the Luftwaffe was irreparable Thus Big Week became one of the most important episodes of World War II and coincidentally one of the most overlooked until now
