World Literature S For 10th Grade:

World Literature in Theory David Damrosch, 2014-01-28 World Literature in Theory provides a definitive exploration of the pressing questions facing those studying world literature today Coverage is split into four parts which examine the origins and seminal formulations of world literature world literature in the age of globalization contemporary debates on world literature and localized versions of world literature Contains more than 30 important theoretical essays by the most influential scholars including Johann Wolfgang von Goethe Hugo Meltzl Edward Said Franco Moretti Jorge Luis Borges and Gayatri Spivak Includes substantive introductions to each essay as well as an annotated bibliography for further reading Allows students to understand articulate and debate the most important issues in this rapidly changing field of study

Youth Poets Korina M. Jocson, 2008 Counterpoints publishes the most compelling and imaginative books being written in education today Grounded on the theoretical advances in criticalism feminism and postmodernism in the last two decades of the twentieth century Counterpoints engages the meaning of these innovations in various forms of educational expression Committed to the proposition that theoretical literature should be accessible to a variety of audiences the series insists that its authors avoid esoteric and jargonistic languages that transform educational scholarship into an elite discourse for the initiated
