When Comedy Goes Wrong Christopher J. Gilbert,2025-04 While conventional wisdom has it that humor embodies a spirit of renewal and humility a dispirited form of comedy thrives in a media saturated and politically charged environment When Comedy Goes Wrong examines how beginning in the late twentieth and carrying into the early twenty first century a certain comic dispirit found various platforms for disheartening cultural politics From the calculated follies on talk radio programs like the Rush Limbaugh Show through the anticomedy in the movie *Joker* the charades of cancel culture the carnivalesque antics of participants in the Capitol insurrection and ultimately to so called Alt Right comedy the transgressions and improprieties and ego trips endemic to a newfangled comic freedom produced entirely unfunny ways of being To understand these unfunny ways Christopher J Gilbert challenges the prevailing belief in humor s goodness analyzing radio personalities meme culture films civil unrest and even the language of ordinary individuals and everyday speech all to demonstrate what happens when humor becomes humorless As such Gilbert puts forth a nuanced sense of humor with regard to a tumultuous world When Comedy Goes Wrong challenges assumptions about comedy s unequivocal benefits to democratic praxis It goes beyond

partisanship to explore the uglier parts of American culture imagining the stakes of doing comedy and being comical as a means of survival
