The Worst Resume Ever Written Veronica Vulpine, 2017-10-27 My name is Veronica Vulpine I wish that I could say that I had a really exciting life being an extra in Miami Vice or being involved in a witchcraft covenant but I am just me living on a lonely mountainside I have suffered through a high school that I hated a college that I hated buying a house and then losing my job and many terrible jobs over the years to make ends meet Many weird things have happened to me in the meantime but I have managed to survive I hope these tales give you a chance to endure whatever you are dealing with in life with a sense of humor because if I didn't have one I'd be hanging somewhere by my shoelaces by now I hope my little catharsis makes you all laugh because that is the best medicine Enjoy

Worst Nanny Ever Angela Casella, 2025-09-08 She's horribly unqualified and everything they both need Travis The last time I saw my ex fling she was toasting her engagement to a record producer So when I heard she'd had a baby I assumed he was the father until she showed up at my house seven years later with a little boy and said Your turn I'm a drummer who works afternoons and nights My life is loud chaotic and definitely not kid friendly But I was raised by a nanny and I see no harm in finding one for my son Too bad he rejects every single person I hire The only person he actually likes Not a nanny She's a friend of a friend and the former floor manager at a brewery But she has just enough childcare experience that I offer her the job out of desperation and instantly regret it Hannah is a bossy opinionated hurricane of a woman who tests my patience my sanity and my number one rule don't fall for the nanny Hannah Let the record show I am not a professional nanny I did however help raise my little brother so I know my way around a juice box and a tantrum Which is more than Travis can say My new boss is uptight repressed and needs more help than he realizes especially since single parenthood isn't the only challenge he's facing His band is about to become more than just a hobby and the past he doesn't want to acknowledge is pushing its way into the present I was determined to pop in whip things into shape and leave but the more I get to know them the more I want to stay A standalone romcom in the Babes of Brewing series of interconnected standalones

There's a God in My Closet Ben DeLong, 2019-07-19 Many have been taught to see God as a terrifying agent of wrath who spews anger at any sign of imperfection At the same time they've been taught that they are inherently flawed and devoid of goodness Where does that leave us For Ben DeLong it left him hiding his skeletons from the monster he believed God to be This proved to be a perfect recipe for anxiety depression and insecurity But what if God accepts our skeletons What if he actually embraces them in love How would that change our outlook For Ben it changed everything This book is about his journey to find what was always true we are eternally embraced by God skeletons and all and he is never letting go
