Latino Boom John S. Christie, José B. Gonzalez, 2006 *Latino Boom* An Anthology of U.S. Latino Literature combines an engaging and diverse selection of Latino authors with tools for students to read, think and write critically about these works. The first anthology of Latino literature to offer teachers and students a wide array of scholarly and pedagogical resources for class discussion and analysis, this thematically organized collection of fiction, poetry, drama and essay presents a rich spectrum of literary styles. Providing complete works of Latino literature vs. excerpts written originally in English, the anthology juxtaposes well-known writers with emerging voices from diverse Latino communities, inviting students to examine Latino literature through a variety of lenses.

The Italian American Heritage Pellegrino A. D'Acerno, 2021-12-12 First published in 1999. The many available scholarly works on Italian Americans are perhaps of little practical help to the undergraduate or high school student who needs background information when reading contemporary fiction with Italian characters, watching films that require a familiarity with Italian Americans, or looking at works of art that can be fully appreciated only if one understands Italian culture. This basic reference work for non-specialists and students offers quick insights and essential, easy-to-grasp information on Italian American contributions to American art, music, literature, motion pictures, and cultural life. This rich legacy is examined in a collection of original essays that include portrayals of Italian characters in the films of Francis Coppola, Italian American poetry, the art of Frank Stella, the music of Frank Zappa, a survey of Italian folk customs, and an analysis of the evolution of Italian American biography. Comprising 22 lengthy essays written specifically for this volume, the book identifies what is uniquely Italian in American life and examines how Italian customs, traditions, social mores, and cultural antecedents have wrought their influence on the American character. Filled with insights, observations, and ethnic facts and fictions, this volume should prove to be a valuable source of information for scholars, researchers, and students interested in pinpointing and

examining the cultural intellectual and social influence of Italian immigrants and their successors *The American Year Book* ,1915 **A History of American Literature 1900 - 1950** Christopher MacGowan,2024-05-13 A look at the first five decades of 20th century American literature covering a wide range of literary works figures and influences A History of American Literature 1900 1950 is a current and well balanced account of the main literary figures connections and ideas that characterized the first half of the twentieth century In this readable highly informative book the author explores significant developments in American drama fiction and poetry and discusses how the literature of the period influenced and was influenced by cultural trends in both the United States and abroad Considering works produced during America s rise to prominence on the world stage from both regional and international perspectives MacGowan provides readers with keen insights into the literature of the period in relation to America s transition from an agrarian nation to an industrial power the racial and economic discrimination of Black and Native American populations the greater financial and social independence of women the economic boom of the 1920s the Depression of the 1930s the impact of world wars massive immigration political and ideological clashes and more Encompassing five decades of literary and cultural diversity in one volume A History of American Literature 1900 1950 Covers American theater poetry fiction non fiction memoirs magazines and literary publications and popular media Discusses the ways writers dramatized the immense social economic cultural and political changes in America throughout the first half of the twentieth century Explores themes and influences of Modernist poets expatriate novelists and literary publications founded by women and African Americans Features the work of Black writers Native Americans Asian Americans and Jewish Americans A History of American Literature 1900 1950 is essential reading for all students in upper level American literature courses as well as general readers looking to better understand the literary tradition of the United States American Year Book a Record of Events and Progress 1914 Francis G.
