Sincere S Rise Out The Hood:

The Wisdom of Vasiṣṭha Raghunandan, 2018-01-01 Yogavasistha or Yogavasistha Maharamayana has been a guide book to earnest Sadhakas all over the country. The popularity of this book appears to be due to the fact that it is a happy combination of terse Upanisadic thought clothed in the story form. A scripture becomes relevant when it gives the truths of the Upanisads using a common man's language with illustrative stories. Helps a beginner as well as an advanced seeker. It is believed by some that Sage Valmiki wrote the Ramayana for the purification of mind and to create a mood of seeking in the society. It is well known that the story of Sri Rama gives an exemplary ethical and moral behaviour in an individual and a glimpse into the ideal culture through the description of Ayodhya. For only on a strong ethical and moral foundation can one hope to build the super structure of spirituality. Attempt has been made to cover all the stories in six Prakaranas. This book is a study by a seeker and an attempt to present the philosophy and practical hints contained in the book to fellow seekers who are not very familiar with Sanskrit. It is essentially meant for inspiring the seekers to take up the study of the original text which is a mine of practical wisdom. The essays contained herein are glimpses into the meditations on the golden verses and their connection and relevance in our day to day life. Consequently the interpretation and the perspective is not really meant for scholastic pursuits.

Sincerely Yours, Love Letters 2 Hip-Hop Vol. 1 Quaran S. Rogers, 2023-06-13 Meet Sincere or Sin for short. Just your average inner city youth navigating his way through life as a normal African American male raised by a single mother in a community riddled with crime, sex, drugs, money and death. Journey along with him as he discovers and uncovers the layers of himself through some of life's most delightful disasters. This urban theatrical non-fiction rollercoaster is sure to have you all in your feelings as you devour each and every word of the bite-sized chapters as they draw you in and leave you craving for more. There will be love, hate, sex, drugs, music, comedy, hope, inspiration, education and just that overall feeling of a good read. Regardless if you are snuggled up next to a warm, cozy fire with your favorite cup of tea or on the train heading home after a long day at work, this book is sure to transport you into the wonderful world of Sin. Enjoy. Hearings
