Sissy Gender Swap Sissy Boy Book English Edition:

Queer Sexualities in Early Film Shane Brown, 2016-07-26 Since the publication of Vito Russo's seminal study *The Celluloid Closet* in 1981 much has been written about the representation of queer characters on screen. Until now, however, relatively little attention has been paid to how queer sexualities were portrayed in films from the silent and early sound period. By looking in detail at a succession of recently found films and revisiting others, Shane Brown examines images of male-male intimacy, buddy relationships, and romantic friendships in European and American films made prior to 1934, including *Different from the Others* and *All Quiet on the Western Front*. He places these films within their socio-political and scientific context and sheds new light on how they were intended to be viewed and how they were actually perceived. In doing so, Brown offers his readers a unique insight into a little-known area of early cinema, queer studies, and social history.

Bared Before the Gods Alyson Belle. When you steal from the gods, they find the most creative ways to punish you. Lukas and his best friend Mal are Greek adventurers and warriors in the tradition of Jason, Odysseus, and a host of other heroes, and Lukas knows that despite his humble beginnings, he has the potential to take his place among those men as a legend of mythic proportions. But no one else believes in him, and so he sets out to prove them all wrong by undertaking a most Herculean task: climbing Mount Olympus and stealing Zeus's golden crown. Zeus, however, is not amused, and Lukas's theft is quickly punished with his swift and painful death, or so Zeus believes. But Aphrodite has other plans for such a bold and handsome hero: she rescues Lukas from death's door and uses her powers to hide him away in the body of Lucia, a comely maiden whom Zeus would never suspect of being the thief who took his crown. Now Lucia has only a few days to convince Mal to help her find and return Zeus's crown before the other gods realize what Aphrodite has done and return Lucia to Hades, or worse, leave her trapped forever in the body of this maiden. She'll need to move fast and decisively to win the day, which would be easy if she weren't so distracted by all these strange new feelings of lust and attraction she's having for her adventuring partner, Mal.
