COLLINS,2025-02-07 THE SISTER OF CAIN With her husband David away during wartime Hilda travels west to San Francisco to stay with his six sisters But all is not well in the Moreau house Five of the sisters are ruled by the oldest Pauline who controls them all

through intimidation and blackmail Their father s will left Pauline in control of the family fortune and only a marriage can break the trust Now Hilda finds herself pitted against Pauline to get hers and David s share of the money In spite of their fear of Pauline the sisters put up a united front to the world Then one night Pauline is found murdered by a knife from the family kitchen Now secrets are being revealed and Hilda finds herself in the middle of it So it comes as no surprise to her when she finds the sisters all pointing their finger at her as the prime suspect Brothers and Sisters in Medieval European Literature

Carolynne Larrington,2015 A wideranging and groundbreaking investigation of the sibling relationship as shown in European literature from 500 to 1500 **Brothers & Sisters: Myth and Reality** Henry Abramovitch,2025-10-07 How would depth psychology have evolved if Freud and Jung had used the Bible for inspiration instead of Greek Mythology These founders both privileged firstborns would have immediately discovered the central role sisters and brothers play in our social life in our psyche and in our clinical work Drawing on the original Hebrew text of Genesis beginning with the primal story of Cain and Abel this unusual book explores the tension within the brother sister archetype between cooperation and competition and between the myth and the reality of being brothers having sisters as well as the repeating motif of the missing brother or absent sister Exploring all 33 brother sister stories in Scripture author Henry Abramovitch examines the developmental sequence within brotherhood sisterhood as we struggle to find a place for each other His knowledge of Indian epics linguistics anthropology and years of clinical experience deepen the work and so highlights the crucial role sibling dynamics plays in the formation of our identity in the transference and especially in the process of individuation Abramovitch develops a new vocabulary to examine the depth psychology of siblings such as shadow sibling sibling stranger Abel and Cain complex polarized identity and other innovative concepts The book concludes with a very personal account of his own relationship with his brother and sister This masterwork allows us to return to our roots and rediscover the significance of brothers and sisters in depth **Seth** Albertus Frederik Johannes Klijn,1977-01-01 *Adam and Eve Outside of Eden*

Prof.M.M. Ninan,2018-09-12 This is a continuation study on what happens soon after Adam and Eve were thrown out of Eden They were a settled agriculturalists in the midst of the outside of Eden world who were nomads There followed the struggle between the two cultures **Legends in Faith** Sanna Ahmad,2025-06-04 The creator he s the almighty Allah Which means God The one and only true god No god has the right to be worshipped but he He is the knower of the seen and the unseen The most merciful the most kind He is the king of all kings He is the pure he is the holy he is the giver of peace He is the giver of security he is the compeller he is the supreme Glory is to Allah he is the greatest Allah is high and above all those that they associate as partners with him He is the creator he is the maker he is the fashioner he is the bestower and he is the all wise He has always been Before his creation nothing existed but him Neither does he have a beginning or an ending This book has been written in his honour Informing us of the life and lessons of some of the prophets he sent to us To deny one prophet is to deny them all May peace be upon them all **'Arā'is Al-Majālis Fī Qisas Al-Anbiyā' or "Lives of the**

Prophets" William M. Brinner,2002-11-01 These 11th century tales written in many different languages and well known throughout the Muslim world have been read and studied through the years This is however the first complete translation of the Arabic text into English from the story of the creation of the world to the time just before the coming of the Prophet Muhammad and the revelation of Islam It includes tales of prophets who are Biblical figures but also of others not considered prophets in other traditions and contains tales too like The Thousand and One Nights with no prophetic content In the Islamic world this work has been and is still read and enjoyed both as a source of religious study and for simple pleasure

The Secular And the Sacred Harmonized Elsie T. Choice,2005-09-01 It is the result of years of extensive and painstaking research Within its pages are shocking yet convincing revelations that force readers to reconsider what has been established as truths about mankind s past and purpose on planet Earth It harmonizes the Biblical account of Creation and the Theory of Evolution It applies historical events to the events described in the Biblical book of Revelation It proves that the earth gods of antiquity are the biblical fallen angels or demons today s extraterrestrials It is non proselytizing and reader friendly and all theories are supported by scientific data historical facts and holy texts It answers the age old questions of Who are we Why are we here and Where are we going

al-Makīn Ġirġis Ibn al-‘Amīd: Universal History Martino Diez,2023-11-20 When the 13th century Coptic official al Mak n Ibn al Am d was thrown into prison by Sultan Baybars he set out to compile a summary of Biblical Graeco Roman and Islamic history for his own consolation His work which drew from a vast array of sources enjoyed enduring success among various readerships Oriental Christians in Arabic speaking communities but also in Ethiopia Mamluk historians including Ibn ald n and al Maqr z and early modern Europe A major instance of Christian Muslim interaction in the pre modern era Ibn al Am d s chronography is still unpublished in its pre Islamic part This volume edits analyzes and translates the section from Adam to the Achaemenids

Brothers and Sisters Henry Abramovitch,2014-11-18 Growing up we typically spend more time with our brothers and sisters than we do with our parents In an age of divorce mobility and alienation the sibling bond is often the only one that really lasts Given that brothers and sisters are such a fundamental aspect of human existence it is remarkable that they have received so little in depth attention in the field of psychology Henry Abramovitch s Brothers and Sisters explores the tension between the myth and reality of brothers and sisters in a variety of cultures and through the poignant brother sister stories in the Bible

Abramovitch looks at the developmental sequence in the sibling relationship as brothers or sisters struggle to find their place with each other concluding with a very personal account of his own relationship with his brother and sister

The Dust and the Glory Earl Cripe,2010-03-31 Without serious argument Genesis is at once the most fascinating and compelling and the most misunderstood book in the Bible The foundation of the Gospel and the Historic Christian Church is laid down in the first eight chapters Without a proper understanding of what took place there why and when there is no Gospel Dr Cripe uses his winsome method of teaching his God given wisdom and knowledge his elegant eloquent and lucid writing style and his gifts

as a Christian mystic to unlock and discuss secrets that have lain dormant and hidden for far too long In this book Earl takes on the humanists who seek to make the creation account something other than literal and exposes their nefarious agendas In this book essential elusive and transcendent questions are asked and answered Where did evil come from Was the serpent the devil Why did God put the Tree of the knowledge of Good and Evil in the Garden Why did God give the serpent access to Eve Did the Genesis Flood Happen Was it universal What is the testimony of the earth around us regarding this question In the end of the age when the fury of the dragon is being unleashed against the Bible belief in God and the integrity of the historic church we cannot imagine a more vital and timely book for all who seek find truth in the foment of a caldron of lies and disinformation If you are a dedicated and sincere seeker for truth The Dust and the Glory will supply you with vital and needed information and will make a better Christian of you *The Lost Books of the Bible and The Forgotten Books of Eden*

Rutherford Hayes Platt,1927 Presented here are two volumes of apocryphal writings reflecting the life and time of the Old and New Testaments Stories told by contemporary fiction writers of historical Bible times in fascinating and beautiful style
