Steven R. Strom

Six Flags Coca Cola Promotion 2013:

Entertainment Values Stephen Harrington, 2017-08-14 This collection brings together the work of a range of scholars from around the world with different perspectives on one simple question How can we assess the value of various entertainment products and forms Entertainment is everywhere The industries that produce it earn billions of dollars each year and employ hundreds of thousands of people Its pervasiveness means almost everyone has something to say about entertainment too whether it be our opinion on the latest Hollywood blockbuster a new celebrity couple or our concerns over its place in the world of politics And yet in spite of its significance entertainment has too often been dismissed with surprising ease within the academy as a mindless lowbrow even dangerous form of culture and therefore unworthy of serious appraisal let alone praise Entertainment Values challenges this assumption offering a better understanding of what entertainment is why we should take it seriously as well as helping us to appreciate the significant and complex impact it has on our culture

Mobile Marketing Management Hongbing Hua, 2019-03-18 With the development of mobile internet technology people s lifestyle and consumer behavior are changing rapidly Nowadays the products on the market are updating more and more frequently and the traditional marketing theory and brand theory fail to get with the mobile internet So what s the innovative marketing to take in the new era Since 2012 China has entered into the mobile era and became a major country of mobile internet application The book summarizes the experience of the author accumulated from many trials and errors in management and marketing innovation so as to form the pattern of management and marketing for the next 30 years Mobile Marketing Management lays the foundation for the new era with four pillars service substance superuser space known as 4S theory for short In view of the concept of customer first it is all about service and products become productized service concepts In view of the failure of mass communication the competition among all services becomes the competition of substance differentiation Regarding the popularity of self organization it becomes a trend to cooperate with people rather than the company to develop the market In view of the principle of fuzzy market boundary the enterprises shall optimize their living space and evolve their development space This book contains numerous case studies along with analysis and creates the discipline of mobile marketing management providing innovative theories methods and tools for the marketing of enterprises Through this book readers can master the marketing methods of the mobile internet era They can apply the marketing theory in this book to guide the marketing practice thus improving marketing efficiency and reducing marketing costs
