The Sonic Boom Joel Beckerman, Tyler Gray, 2014-10-21 A fascinating study on the influence of sound and how companies wrangle its power to affect our moods, our shopping habits and our lives. From movie scores and national anthems to cell phone dings and squeaky shoes, sound and music impact how we perceive the stories, situations and products we encounter every day. In The Sonic Boom, composer and strategic sound expert Joel Beckerman reveals sound's surprising power to influence our decisions, opinions and actions in ways we might not even notice. Discordant ambient noise can induce anxiety; ice cream truck jingles can bring you back to your childhood. You don't need to be a musician or a composer to harness the power of sound. Companies, brands and individuals can strategically use sound to get to the core of their mission, influence how they're perceived by their audiences and gain a competitive edge. Whether you're a corporate giant connecting with millions of customers or a teacher connecting with one classroom of students, the key to an effective sonic strategy is the creation of boom moments: transcendent instants when sound connects with a listener's emotional core. Equal parts sociological study and business advice, using unique everyday examples for instance, how the fate of the Chili's fajita empire rested on the sound of the sizzling platter and how Disneyland approaches soundscapes for a fully immersive experience to explain how sound affects our mood and shopping habits. Entertainment Weekly Music defines us. Joel Beckerman knows. Let him tell you all about it. Anthony Bourdain The Sonic Boom reveals the music and structured cacophony of everyday life. Moby Jon Bonnell's Texas Favorites Jon Bonnell, 2012-03-01 The owner and chef at Fort Worth's premier restaurant bearing his name shares his favorite Tex-Mex dishes for parties and family gatherings. Holding back no secrets, Bonnell gives easy-to-follow directions on how to make Tex-Mex essentials like tortillas, salsas galore, guacamole and tamales. His recipes for family-style fiestas, Fort Worth fancy foods, seafood and wild game are sure to please any size crowd. Fabulous ideas for tailgate parties will let you host with ease while making your tailgate the hottest one at the game. And then wind down any party with a variety of liquor-infused desserts or Sweet Biscuits with Cactus Jelly. There's nothing intimidating about cooking with Chef Jon. From Texas-style ribs and potatoes to southwestern twists on fish, fresh veggie salads and sweets, you'll be whipping up delicious meals for your family and friends in the kitchen and on the barbecue. While his first book Fine Texas Cuisine focused on the fine dining fare that has made Bonnell's one of Zagat's highest-rated restaurants, the former science teacher provides less complex recipes for the home cook in his second book. We love the entire chapter dedicated to tailgating Texas style and already are planning to use it for Texas Rangers games.
