Brown, Danielle Casarez Lemi, 2021-01-19 In Sister Style Nadia E Brown and Danielle Casarez Lemi argue that Black women s political experience and the way that voters evaluate them is shaped overtly by their skin tone and hair texture with hair being a particular point of scrutiny They ask what the politics of appearance for Black women mean for Black women politicians and Black voters and how expectations about self presentation differ for Black women versus Black men White men and White women Brown and Lemi base their argument in part on focus groups with Black women candidates and elected officials and show that there are generational differences that determine what sorts of styles Black women choose to adopt and to what extent they change their physical appearance based on external expectations These Are Love(D) Letters Ames Hawkins, 2019-10-15 Intimate and unwavering exploration of love loss and the queer possibilities inherent in artistic aspiration Ames Hawkins s These are Love d Letters is a genre bending visual memoir and work of literary nonfiction that explores the questions What inspires a person to write a love letter What inspires a person to save a love letter even when the love has shifted or left And what does it mean when a person uses someone else s love letters as a place from which to create their own sense of self Beginning with the simple act of the author receiving twenty letters written by her father to her mother over a six week period in 1966 These are Love d Letters provides a complex pictorial and textual exploration of the work of the love letter Through intimate and incisive prose the letters were after all always intended to be a private dialogue between her parents Hawkins weaves her own struggles with gender sexuality and artistic awakening in relation to the story of her parents marriage that ended in divorce Her father s HIV diagnosis and death by complications related to AIDS provide the context for an unflinchingly honest look at bodily

disease and mortality Hawkins delicately and relentlessly explores the tensions in a father daughter relationship that stem from a differently situated connection to queer identity and a shared struggle with artistic desire In communion with queer and lesbian writers from Emily Dickinson and Virginia Woolf to Alison Bechdel and Maggie Nelson Hawkins pushes exploration of the self with the same intellectual rigor that she critiques the limits of epistolarity by continually relocating all the generative and arresting creative powers of this found art with scholarly rhetorical strategies Exquisitely designed by Jessica Jacobs These are Love d Letters presents an affective experience that reinforces Hawkins s meditations on the ephemeral beauty of love letters As poetic as it is visually enticing the book offers both an unconventional and queer ed understanding of the documentarian form which will excite both readers and artists across and beyond genres 1001 Letters For All Occasions Corey Sandler,Janice Keefe,2004-01-01 Dear Reader Welcome to fictional Smalltown Ohio where every resident knows how to write clear concise attention grabbing letters With more samples than any other book 1001 Letters for All Occasions is the resource any time written communication is in order Letters are still the best way to communicate and the residents of Smalltown are happy to share their best examples with you We provide letters for every personal and business need including apologies business proposals complaints congratulations cover letters invitations condolences thanks and travel letters in three languages Whether you are writing to your bank your child s school or a large government agency our picture perfect sample letters will get you the response you want Sincerely Corey Sandler and Janice Keefe *Busy Is a Four-Letter Word* Kishshana Palmer,2024-12-17 Improve your productivity take a more enjoyable approach to life and amplify your leadership Using a human centered approach Busy Is a Four Letter Word looks at the essential relationship between living well and leading well aiming to end the self gratifying martyrdom of busy culture and working to uncomplicate personal and professional prosperity By highlighting topics such as real self care rest wellness and saying no as indispensable to success and productivity the powerful 5 step ReThink Method in Busy Is a Four Letter Word helps readers get more out of life while also being more productive in their pursuits In this book you ll learn How to stop piling on to your to do list and instead take bite sized actions that will shift turn and restart the next professional or personal season of your life The idea of martyritis consistently taking actions that leave you feeling overwhelmed overworked and underappreciated as your default state of being How to create your 5 Star wellness plan to help you rethink your work ethic and create new patterns and rituals routines that allow you to get the most out of life and to thrive while doing less With Busy Is a Four Letter Word and Palmer s highly effective ReThink Method at your fingertips leaders and team members alike can find ways to get more done by rethinking their approach to work and life **Silent Frustration, Resounding Victory** Nicole N.
