Evaluating a Student Teacher Marvin A. Henry, Ann Weber, 2016-07-11 Little time Big responsibility If you are a cooperating teacher hosting a student teacher this book is the quick reference tool that you need We like to say It's the little instruction book that should come with your student teacher It answers many questions about the evaluation process the final conference and the elements of the letter of recommendations Problematic situations and legal aspects are also addressed It includes essential information in an easy reading handy format With key advice from experienced teacher educators you will understand the evaluation aspect of your supervisory role for a successful student teaching experience

The Language Teacher's Portfolio Jacqueline Davis, Terry A. Osborn, 2003-10-30 The Language Teachers's Portfolio A Guide for Professional Development is written for use by both preservice and inservice teachers It links elements of educational practice and theory that students of education frequently find difficult to assimilate in language teaching This

text purposefully integrates material such as foundations of education educational psychology elements of planning and lesson preparation reflective teaching and classroom management issues into the reality of the language classroom Thus students of world language education are provided a holistic perspective of the challenges required to bring what may seem to be disjointed theoretical information into workable elements of classroom practice Teacher educators can utilize this text to guide students to use the portfolio as an assessment tool or a project for an instructional development class The material in the text is designed so that students are able to rely on the text to guide them in preparing many elements of a portfolio thus freeing educators to devote more classroom time to other topics It is also useful for programs that have a portfolio as an exit requirement and for teachers who plan to use the portfolio to document their professional development

The Creative Teacher James T. Charnock, 2011-02-15 Author James T Charnock shares the best from his thirty plus years experience teaching language arts in *The Creative Teacher* a teachers guide filled with student activities in writing public speaking researching dramatizing and more This is the second edition of the 2005 publication *A Non Workbook Non Textbook Approach to Teaching Language Arts* Charnock's clarity energetic style and practical approach make this book a worthy addition to your teaching library You will be impressed with how simple and fun teaching language arts can be when compared with the onerous and complicated methods propagated in the past

Evaluating What Good Teachers Do James Stronge, 2013-08-06 This book is based on author James H Stronge's 20 plus years of consulting with school districts and other educational organizations in designing piloting and training educators in the use of teacher performance evaluation systems Its primary purpose is to help both teachers and their evaluators collect more comprehensive and accurate assessment data for judging teacher effectiveness The author provides field tested teacher evaluation systems based on performance standards which include data collection tools and performance appraisal rubrics

Teacher Evaluation Kenneth D. Peterson, 2000-05-19 The original edition published in August 1995 challenges current teacher evaluation and school practice The book discusses stages of teacher choice teacher responsibilities for evaluation and suggests ways for teachers to become more involved and in control of their own evaluation Combining information and techniques from his academic studies and evaluation experiences Peterson presents a coherent field tested set of new practices for teacher evaluation The revised edition adds new chapters on the role of the principal in changed teacher evaluation how districts can transition from current practice to improved practices the use of national standards developments in using pupil achievement data and puts a new emphasis on developing sociologically The Internet as a resource for local development is encouraged 67 web sites are recommended as starting points New resources for local development have been added from extensive field testing and analysis forms have been improved and district level principles have been assembled Substantial material has been added on the topic of responding to deficient teacher practice Finally the research literature has been augmented
