Person-Centered Care Addie M. Abushousheh, Jennifer A. Brush, 2019-07-05 While the benefits of Person Centered Care (PCC) to both caregivers and care receivers are significant, development and implementation can be undermined by unsupportive or absent documentation. A timely response to emerging needs in long term care, this innovative and practical toolkit provides expert guidance as well as specific policy and workforce documents that assist healthcare professionals to advance and sustain a PCC philosophy in their care community. Person Centered Care: A Policies Workforce Toolkit for Long Term Care Settings delivers an overview of PCC, educates organizational stakeholders on core concepts, presents policies and procedures in the advancement of PCC, and describes the essential function of job descriptions as related to recruitment, new team member selection, orientation, supervision, and performance management. Delivers step by step guidance for developing, implementing, and managing PCC policies in long term care communities. Provides ready to use, adaptable documents to establish an organizational foundation for PCC. Offers practical suggestions, real life examples, and field tested directives for PCC. Prevents imprecise, outdated, and conflicting policies and procedures that can lead to penalties or loss of certification. Includes a complete collection of PCC policies and job descriptions accessed in the appendix and online. Written by leading experts in the field. Person Centered Care: A Policies Workforce Toolkit for Long Term Care Settings is an invaluable resource for any long term care provider seeking to reach their goals of implementing and sustaining person
