That Thing In My Soup:

The Love of Impermanent Things Mary Rose O'Reilley, 2006 At midlife Mary Rose O'Reilley reflects on her past and her hard won sense of self She is determined now not to sacrifice or waste her self She has struggled for years along the paths set by her suburban childhood her Catholic upbringing her failed marriage and the mute duties of daughterhood Now she is trying to see the world through the eyes of the deer that stop outside her window and look in at her As a wildlife rehabilitator she feels a closer connection to the natural world as experienced by animals As an apprentice potter she sees in a Japanese tea bowl the ultimate balance of action and contemplation As a Quaker she can both sit still and sing And as a writer O'Reilley can speak clearly to readers at midlife who are expected to know it all but don't *Some of the Funniest Things Happen in the Most Unlikely and Unexpected Places* Glenn W. emphasis on perfection Veronica Chambers mischievously casts aside the guilt inducing litany of shoulda coulda woulda that seems to define modern day life and replaces it with a resounding call to live with foolish bravery Refreshingly open about the personal failures and limitations that once weighed her down with shame Chambers describes how she turned her less than perfect qualities into sources of delight and satisfaction From belting out off key renditions of torch songs while washing the dishes to seeing even the most unlikely career opportunity as a chance to spread one s wings Chambers shows that a willingness to fall flat on one s face heightens the joys of everyday life and opens a new wonderfully liberating perspective on work motherhood aging friendship failure and success With a winning combination of lighthearted anecdotes and heartfelt musings Chambers encourages readers to follow her example and do the things that tickle their fancies and fire their imaginations no matter what other people and that little voice inside may say Like Chambers herself they ll discover that what we consider our failures have a surprising ability to charm we are loved for our imperfections for our funny faces and walks and dances and songs

Robust Reality George Englebretsen, 2013-05-02 Contemporary analytic philosophy can generally be characterized by the following tendencies: commitment to first order predicate logic as the only viable formal logic; rejection of correspondence theories of truth; a view of existence as something expressed by the existential quantifier; a metaphysics that doesn't give the world as a whole its due. This book seeks to offer an alternative analytic theory, one that provides a unified account of what there is, how we speak about it, the underlying logic of our language, how the truth of what we say is determined, and the central role of the real world in all of this. The result is a robust account of reality. The inspiration for many of the ideas that constitute this overall theory comes from such sources as Aristotle, Leibniz, Ryle, and Sommers.

The Boba Book Andrew Chau, Bin Chen, 2020-04-07 A beautifully photographed and designed cookbook and guide to the cultural phenomenon that is boba or bubble tea, featuring recipes and reflections from The Boba Guys tea shops. Andrew Chau and Bin Chen realized in 2011 that boba, the milk teas and fruit juices laced with chewy tapioca balls from Taiwan that were exploding in popularity in the States, was still made from powders and mixes. No one in the U.S. was making boba with the careful attention it deserved or using responsible, high quality ingredients and global artisanal inspiration. So they founded The Boba Guys, a chic modern boba tea shop that has now grown to include fourteen locations across the country, bringing bubble tea to the forefront of modern drinks and bridging cultures along the way. Now with *The Boba Book*, the Boba Guys will show fans and novices alike how they can make their new favorite drink at home through clear, step-by-step guides. Here are the recipes that people line up for, from the classics like Hong Kong Milk Tea to signatures like the Strawberry Matcha Latte and the coffee-laced Dirty Horchata. For the Boba Guys, boba is Taiwanese, it's Japanese, it's Mexican, it's all that, and more, which means it's all American.
