Thats Not Your Mommy Anymore A Zombie Tale:

That's Not Your Mommy Anymore Matt Mogk, 2011-05-10 Humorously describes how children can identify if their mothers have become zombies and what to do in the event of a zombie invasion

That's Not Your Mommy Anymore Matt Mogk, 2011-05-10 A twisted children's book parody that teaches kids what to do if mommy suddenly joins the legion of the undead In the ongoing effort to warn an unprepared world of the rising danger from zombie attacks one vulnerable group has been left out small children That's Not Your Mommy Anymore offers social workers counselors and educators a helpful new tool to communicate with hard to reach at risk youth This inviting and entertaining story helps early readers understand for themselves that a mom who has fresh brain casserole in the oven instead of her usual meatloaf is probably not their mommy anymore This utterly twisted and incredibly funny take on the classic children's book genre tells an entertaining story in rhyming text even as it teaches other telltale signs that mom has been bitten by a zombie Rabid zombie fans will be highly entertained by this hilarious parody that adult readers are sure to love as much as the real children books they enjoyed as kids Praise for That's Not Your Mommy Anymore Younger kids might be a little frightened by the idea of a formerly loving mother who now wants to dine on human flesh but older kids and grown ups will get a kick out of this tale
