Twain's life-long fulminations against the editors, printers and proofreaders who subtly or grossly altered his work and shrouded his intentions as they transmitted his writing from manuscript to type. Through unauthorized changes and inadvertent errors Mark Twain's first publishers brought out texts full of thousands of errors in form and content. Later publishers then based their reprints on these corrupt editions and added errors of their own. It is the aim of the Iowa/California edition to strip away this accretion of error and present texts faithful to the author's intention. By comparing all the life-time versions of Mark Twain's works the editors are able to isolate the author's revisions from the printers and publishers' changes. The record of this comparison supplies not only the evidence for editorial decisions but also the history of the author's efforts to shape his work. In addition, these volumes include previously uncollected work that has long been out of print and such unpublished writing as related drafts, working notes and marginalia. The texts are established at the Center for Textual Studies at the University of Iowa or at the Mark Twain Papers in The Bancroft Library at the University of California, Berkeley. The costs for editorial work have been met by generous support from the Editing Program of the National Endowment for the Humanities, an independent federal agency, and other institutional and private donors. The edition is published by the University of California Press with financial assistance from the Graduate College at the University of Iowa. All volumes are submitted to the Center for Editions of American Authors or to its successor, the Committee for Scholarly Editions, for examination and approval.

The Adventures of Tom Sawyer (Illustrated Version) Mark Twain, 2016-11-15. *The Adventures of Tom Sawyer* by Mark Twain is a popular 1876 novel about a young boy growing up in the antebellum South on the Mississippi River in the fictional town of St. Petersburg, Missouri. *The Adventures of Tom Sawyer : (Illustrated) Classic Edition with Original Illustrations* Mark Twain, 2020-09-28. Tom Sawyer, an orphan, lives with his Aunt Polly and his half brother Sid in the fictional town of St. Petersburg, Missouri, sometime in the 1840s. A fun-loving boy, Tom skips school to go swimming and is made to whitewash his aunt's fence for the entirety of the next day, Saturday, as punishment. In one of the most famous scenes in American literature, Tom cleverly persuades the various neighbourhood children to trade him small trinkets and treasures for the privilege of doing his tedious work, using reverse psychology to convince them it is an enjoyable activity. Tom later trades the trinkets with other students for various denominations of tickets obtained at the local Sunday school for memorizing verses of Scripture; he cashes in these in to the minister to win a much-coveted Bible offered to studious children as a prize. Despite being one of the worst students in the Sunday school and knowing almost nothing of Scripture, eliciting envy from the students and a mixture of pride and shock from the adults, Tom falls in love with Becky Thatcher, a new girl in town and the daughter of a prominent judge. Tom wins the admiration of the judge in the church by obtaining the Bible as a prize but reveals his ignorance when he is unable to answer basic questions about Scripture. Tom pursues Becky, eventually persuading her to get engaged by kissing him. However, their romance soon collapses when she discovers that Tom was previously engaged to another schoolgirl, Amy Lawrence, and that Becky was not his first girlfriend.

Shortly after Becky shuns him Tom accompanies Huckleberry Finn a vagrant boy whom all the other boys admire to a graveyard at midnight to perform a superstitious ritual designed to heal warts At the graveyard they witness a trio of body snatchers Dr Robinson Muff Potter and Injun Joe robbing a grave Muff Potter is drunk and eventually blacks out while Injun Joe gets into a fight with Dr Robinson and murders him Injun Joe then appears to frame Muff Potter for the murder Tom and Huckleberry Finn swear a blood oath not to tell anyone about the murder fearing Injun Joe would somehow discover it was them and murder them in turn Muff Potter is eventually jailed assuming he committed the killing in an act of drunkenness and accepting of his guilt and fate Tom grows bored by school and along with his best friend Joe Harper and Huckleberry Finn they run away to Jackson s Island in the Mississippi River to begin life as pirates While enjoying their new found freedom they become aware that the community is sounding the river for their bodies as the boys are missing and presumed dead Tom sneaks back home one night to observe the commotion and after a brief moment of remorse at his loved ones suffering he is struck by the grand idea of appearing at his funeral The trio later carries out this scheme making a sensational and sudden appearance at church in the middle of their joint funeral service winning the immense respect of their classmates for the stunt Back in school Tom regains Becky s favour after he nobly accepts the blame and caning punishment for a book she has ripped
