The Apostle Paul And His Letters Bibleworld

Oral A. W. Thomas

The Apostle Paul And His Letters Bibleworld:

The Apostle Paul and His Letters Edwin D. Freed, 2014-12-05 The Apostle Paul and His Letters presents a detailed examination of the apostle's seminal writings in the Book of Acts. Paul was writing primarily to converts who had joined church communities only recently, mostly forsaking either Judaism or paganism. Paul's emphases on faithfulness toward God, the faithfulness of Jesus, and his moral teachings are always primary themes. The book discusses a range of topics: the circumstances that led Paul to write each letter; Paul's emphasis on the morality of the believers to whom he was writing; the influence of Old Testament, Qumran, and pagan writings on Paul's own intellectual and cultural context of the time; and how careful attention to Paul's language can shed light on his meaning. This book is written for a wide range of interested readers, including students, pastors, church workers, and others interested in learning about Paul as a person and his work.

The Apostle Paul and His Letters Edwin D. Freed, 2014-12-05 The Apostle Paul and His Letters presents a detailed examination of the apostle's seminal writings in the Book of Acts. Paul was writing primarily to converts who had joined church communities only recently, mostly forsaking either Judaism or paganism. Paul's emphases on faithfulness toward God, the faithfulness of Jesus, and his moral teachings are always primary themes. The book discusses a range of topics: the circumstances that led Paul to write each letter; Paul's emphasis on the morality of the believers to whom he was writing; the influence of Old Testament, Qumran, and pagan writings on Paul's own intellectual and cultural context of the time; and how careful attention to Paul's language can shed light on his meaning. This book is written for a wide range of interested readers, including students, pastors, church workers, and others interested in learning about Paul as a person and his work.

Paul and His Letters John B. Polhill, 1999 Except for Christ himself, no figure has been more influential in the history of Christianity than the apostle Paul. And yet his remarkable life remains shrouded in mystery. In this probing new book, John B. Polhill scrapes away the myths about this great man and uncovers the truth of his life and thought. Using Acts, the Pauline epistles, and reliable traditions from non-canonical sources, Polhill weaves together the remarkable story of Paul's transformation from persecutor to persecuted, producing a dynamic account of his entire ministry. By placing each of Paul's letters in its proper historical context, Polhill brings new light to these foundation stones of the Christian faith. He follows Paul from his early years in Tarsus and Jerusalem to his imprisonment and eventual martyrdom, painting a detailed, comprehensive portrait of Paul that will serve as an indispensable resource for students, teachers, and pastors alike.

The Apostle Paul and His Letters James B. Prothro, 2022-01-07 The letters of the Apostle Paul are central witnesses to the Christian faith and to the earliest history of Christianity. And yet when students, preachers, and others turn to Paul, they find many things hard to understand. 2 Peter 3:16 in these ancient writings. James Prothro's new book aims to help readers see the Apostle's faith and hope at work as he evangelized the nations. Steeped in up-to-date scholarship and a passion for the gospel, Paul preached. Prothro draws readers into Paul's life and letters in order to help them hear the Apostle's voice. The book's chapters offer

introductions to Paul's background life and legacy an introduction to ancient letter writing a guide to understanding Paul's theology across the letters a survey of the portrait of Paul in the Book of Acts separate treatments of each letter's background and purpose treatments of key theological topics in each letter and a thorough outline of each letter showing its arguments and how they make sense Prothro introduces complex matters with clarity balance and an inviting style He not only offers answers but models how to ask questions helping us reason through Paul's letters as ancient documents and as Christian Scripture This book will prove a valuable introduction for those who study teach and preach these biblical books

Apostle of the Crucified Lord Michael J. Gorman, 2016-12-09 THIS COMPREHENSIVE WIDELY USED TEXT by Michael Gorman presents a theologically focused historically grounded interpretation of the apostle Paul and raises significant questions for engaging Paul today After providing substantial background information on Paul's world career letters gospel spirituality and theology Gorman covers in full detail each of the thirteen Pauline epistles Enhancing the text are questions for reflection and discussion at the end of each chapter as well as numerous photos maps and tables throughout The new introduction in this second edition helpfully situates the book within current approaches to Paul Gorman also brings the conversation up to date with major recent developments in Pauline studies and devotes greater attention to themes of participation transformation resurrection justice and peace *The Apostle Paul* Porter, 2016 There are many introductions to the life thought and letters of Paul the apostle Some concentrate upon his life while others focus upon his thought and still others on his letters A few of them like this book try to integrate all three of them including on occasion material from the book of Acts into a useful portrait of the man and what he said and thought as revealed through his letters from preface

Sex Working and the Bible Avaron Ipsen, 2014-12-18 The Bible contains many stories of prostitution Feminist and liberation readings of these biblical narratives have often made sex workers invisible Sex Working and the Bible examines stories of biblical prostitution through the experiences and understanding of sex workers today The Bible narratives ranging across Rahab in the Book of Joshua the story of Solomon and the two prostitutes the anointing women traditions and the apocalyptic vision of the whore of Babylon in Revelation are set within both a practical and theoretical framework This radical book offers a new more inclusive way of approaching issues of gender sexuality and prostitution in the Bible The Morality of Paul's Converts Edwin D. Freed, 2014-12-05 A careful analysis of Paul's letters shows that in every church there were two main groups of converts those who were baptized and those being instructed for baptism Such analysis also makes it possible to determine which parts of each letter were directed towards which group Baptism was the rite by which converts were forgiven their past sins and became members of a renewed community of God from which any who continued to sin were expelled The Morality of Paul's Converts argues that Paul was always more concerned with how converts behaved than with what they believed about Christ Paul remained a Jew even after he accepted Jesus as the Messiah Paul eventually developed beliefs about Jesus as the Son of God in order to win Gentile converts to faithfulness but this careful analysis of his

writings reveals that his primary concern was always the morality of converts His message always remained focused on faithfulness toward God and moral probity **Paul E. P. Sanders**,2015-12-01 E P Sanders offers an expansive introduction to the apostle navigating some of the thorniest issues in scholarship using language accessible to the novice and seasoned scholar alike Always careful to distinguish what we can know historically from what we may only conjecture and these from dogmatically driven misrepresentations Sanders sketches a fresh picture of the apostle as an ardent defender of his own convictions ever ready to craft the sorts of arguments that now fill his letters **A Compendium of Musical Instruments and Instrumental Terminology in the Bible**

Yelena Kolyada,2014-12-18 A Compendium of Musical Instruments and Instrumental Terminology in the Bible draws on extensive historical research comparative linguistic analysis and musical study to offer the first compilation of its kind The volume examines the entire range of musical instruments in the Bible stringed wind and percussion drawing on ancient and modern translations of the Bible and the works of rabbinic teachers Church Fathers and medieval renaissance and contemporary scholars The book offers a historical survey of Hebrew instrumental music its origins and links with neighbouring cultures the role of instruments in the religious social public and private life of ancient Israel and the system of musical education and explores the understanding of Hebrew musical instruments in post biblical times This comprehensive volume will be invaluable to musicologists archaeologists theologians historians philologists and Bible translators as well as general readers in the subject *Jonah's World* Lowell K. Handy,2014-12-05 The story of Jonah often read as a simple children s story is a multifaceted and elaborate narrative with serious intent Treating the biblical book as a fictitious story based on real locations and recognizable persons Jonah s World examines the background to the story and draws on social science approaches to describe its imaginative world The book explores the geography theology myth human characters natural landscape and the ideology behind the story to uncover a vision of reality shaped by literary technique Jonah s World will be invaluable to students and scholars seeking a new approach to the reading of this colourful text **Jesus Beyond Nationalism** Halvor Moxnes,Ward Blanton,James G. Crossley,2016-04-08 The study of Jesus has rarely looked at its own scholarly context at how the representation of Jesus might be shaped by those who study him Jesus beyond Nationalism examines how since the beginnings of historical Jesus studies in the nineteenth century representations of Jesus have been used to promote hegemonic or mono cultural views The ideology behind such representation has operated to deny difference in society difference in terms of race ethnicity gender and sexuality Examining depictions of Jesus in a range of contexts from the Russian Christ and Jesus as Holy Anarchist to Jesus in Muslim thought Jesus Beyond Nationalism reveals the politics behind the ways in which Jesus has been constructed and presented **The Mythic Mind** Nicolas Wyatt,2014-12-05 The Mythic Mind follows the tradition of works which insist on the necessity for a comparative dimension in the study of ancient Israel The Israelite world view was essentially a West Semitic world view in origin with additional deeply embedded influences from Egypt and Mesopotamia though it produced its

own distinctive character by way of synthesis and reaction The essays in this volume explore various aspects of this process historically and cosmologically commonly challenging received views developed in the treatment of Israel in isolation The importance of the Ugaritic texts in particular as reflecting the cultural context in which ancient Israel developed into two symbiotic kingdoms heirs to a common Canaanite tradition emerges clearly from such studies as chapter 5 Sea and Desert chapter 7 Of Calves and Kings chapter 9 The Significance of Spn and chapter 10 The Vocabulary and Neurology of Orientation

On the Origins of Judaism Philip R. Davies, 2016-04-01 On the Origins of Judaism examines the formation of one of the oldest monotheistic religions The book covers a diverse range of themes the identity of those who produced and canonized the Hebrew Bible and subsequently shaped its interpretation the significance and impact of Second Isaiah and the books of Ezra and Nehemiah the roots of Jewish apocalyptic literature and the possible origins of the Exodus story the ethical systems of the Hebrew Bible and the Athenian tragedians and the place of food and drink in the Qumran community On the Origins of Judaism is the most comprehensive exploration of the roots of the Jewish faith and will be invaluable to students and scholars of biblical and religious studies

Mark and its Subalterns David Joy, 2014-12-18 This book offers a fresh appraisal of the identity and involvement of the subalterns in Mark arguing that the presence of the subalterns in Mark is a possible hermeneutical tool for re reading the Bible in a postcolonial context like India Part I paves the way for a creative discussion on Mark and its interpreters in the rest of the study by looking at the issue of the spread of Christianity and missionary attempts at biblical interpretations that did not take the life of the natives into account Many insights from the postcolonial situation can be found in the contextual interpretations such as liberation feminist postcolonial feminist and subaltern Part II considers colonial rule in Palestine and examines some Markan texts showing the potential role of the subalterns It is argued that due to colonial rule the native people suffered in terms of their identity religion and culture There was conflict between Galilee and Jerusalem mainly on religious issues and the victims of domination were the poor peasants and the artisans in Galilee A dialogue and interaction with the Markan milieu was possible in the research and so the marginal and subaltern groups were effectively understood by exegeting Mark 10 17 31 7 24 30 and 5 1 20 and showing the postcolonial issues such as the poor and their representation gender race hybridity class nationalism and purity respectively The subalterns were mainly associated with movements of resistance in Palestine The Markan proclamation of solidarity with those subalterns is significant The general conclusion presents the implications of this interpretation for a hermeneutical paradigm for a postcolonial context

Paul Stanley B. Marrow, 1986 A major Pauline theology the first to have come out in the Catholic area in recent years which sheds light on and interprets Paul's theology by his letters his life and both against the background of his times

Bible and Justice Matthew J. M. Coomber, 2016-04-01 The Bible contains a variety of passages that defend the poor and champion the cause of the oppressed but are these ancient texts able to find a voice in confronting injustice in the modern world Bible and Justice examines the ways in which the Bible can speak to contemporary

poverty environmental issues and state sponsored violence whilst exploring the difficulties that arise when ancient concepts of justice are applied to modern ideals The book covers a range of topics from human rights to deaf biblical interpretation and from hospitality to corporate globalization Broad and accessible Bible and Justice will be an invaluable resource for students of religious and biblical studies

The Bible Says So! Edwin D. Freed, Jane F. Roberts, 2014-12-05 Is it possible to apply teachings from the Bible to our world today given the vast differences between biblical times and ours Biblical passages are often taken out of context and interpreted to support a particular viewpoint or justify a particular action The Bible Says So examines the origins of well known biblical stories from Adam and Eve the Flood and the Tower of Babel to the birth of Jesus his resurrection and the writings of St Paul The book argues that the meaning of these stories becomes apparent when we read between the lines using the techniques of biblical scholars The Bible Says So explores the original intentions of the biblical writers in their particular context and examines key biblical values The book does justice to the origins of the biblical text whilst also affirming the relevance of the Bible today

The Social History of Achaemenid Phoenicia Vadim S. Jigoulov, 2016-04-08 Even though the Persian period has attracted a fair share of scholarly interest in recent years as yet no concerted effort has been attempted to construct a comprehensive social history of Phoenician city states as an integral part of the Achaemenid empire This monograph explores the evidence from Persian period literary both ancient Jewish and classical epigraphic and numismatic sources as well as material culture remains in order to sketch just such a history This study examines developments in Persian period Phoenician city states on the three levels that of the individual household the city state and the administrative unit of the Persian empire These three societal levels are analyzed within the contexts of economic competition between and among the Phoenician city states their burgeoning economic ties with the outside world and their interaction with the Persian imperial influence in the Levant

Biblical Resistance Hermeneutics within a Caribbean Context Oral A. W. Thomas, 2016-04-08 The Bible is of central importance within Caribbean life but is rarely used as an agent for social change Caribbean biblical hermeneutics focus more on the meaning of biblical texts for today and less on the context in which the texts themselves were written Biblical Resistance Hermeneutics within a Caribbean Context offers a biblical hermeneutic that acknowledges the importance of the socio ideological interests theological agendas and social practices that produced the biblical texts as well as the socio cultural context of the contemporary reader The book examines the social context of post independence Caribbean and outlines the difficulties of biblical interpretation within Christian communities that descend from a history of slavery Current hermeneutical practices in the Caribbean are critiqued and a biblical resistant reading offered that enables the Bible to be used as a cultural weapon of resistance
