The Army Medical Department 1865 1917 Army Historical Series:

The Army Medical Department, 1865-1917 Mary C. Gillett, 1995 The third in a four volume work that covers the history of the Army Medical Department from 1775 to 1941 this volume traces the development of the department from its rebirth as a small scattered organization in the wake of the Civil War through the trials of the Spanish American War and the Philippine Insurrection up to the entrance of the United States into World War I A time of revolutionary change both in the organization of the U S Army and in medicine the period climaxed with the golden age of Army medicine when U S medical officers played a leading role in research that developed new and effective weapons in the war against epidemic disease

Foreword **The Army Medical Department, 1865-1918** Mary C. Gillett, 1995 *The Army Medical Department* Mary C. Gillett, 2015-08-17 The third in a projected four volume work that will cover the history of the Army Medical Department from 1775 to 1941 this volume traces the development of the department from its rebirth as a small scattered organization in the wake of the Civil War through the trials of the Spanish American War and the Philippine Insurrection up to the entrance of the United States into World War I A time of revolutionary change both in the organization of the U S Army and in medicine the period climaxed with the golden age of Army medicine when U S medical officers played a leading role in research that developed new and effective weapons in the war against epidemic disease

The Army Medical Department 1865 1917 continues the contributions to the history of military medicine initiated by the preceding volumes **The Army Medical Department, 1818-1865** Mary C. Gillett, US Army Center of Military History, 2012-09-01 Medical activities in the U S Army from the inception of the modern Army Medical Department through the Civil War with emphasis both on medical service in the far West and on clinical scientific and organizational advances **The Army Medical Department, 1865-1917** Center of Military History United States, United States Army Center of Military History, 2014-12-13 The Army Medical Department 1865 1917 is the third of four planned volumes that treat the time of revolutionary change in the organization of the U S Army and in medicine Mary C Gillett traces major developments for the Medical Department from its rebirth as a small scattered organization in the wake of the Civil War through the trials of the Spanish American War and the Philippine Insurrection to the entrance of the United States into World War I **The Army Medical Department, 1917-1941** Mary C. Gillett, 2009 From the Book s Foreword Long awaited Mary C Gillett s final work The Army Medical Department 1917 1941 complete her four volume study covering the years from 1775 to 1941 Although the Medical Department had improved medical standards and practices because of the latest advances in scientific medicine and was making significant progress toward creating an organizational structure and a supply system able to handle the demands of a conflict of any size its reserves of trained personnel and supplies were seriously inadequate when the nation entered world War I in the spring of 1917 The narrative first describes the struggle of an unprepared department to meet the myriad demands of a war unprecedented size and complexity then follows postwar efforts to meet the needs of the peacetime army during nearly two

decades of continental isolationism and budgetary neglect and finally covers the brief period of growing awareness of America's involvement in another major conflict and the intensive preparation efforts that ensued

Historical Dictionary of the U.S. Army Jerold E. Brown, 2000-12-30 Having evolved over the past two and a quarter centuries to become the premier military force in the world the U S Army has a heritage rich in history and tradition This historical dictionary provides short clear authoritative entries on a broad cross section of military terms concepts arms and equipment units and organizations campaigns and battles and people who have had a significant impact on Army It includes over 900 entries written by some 100 scholars providing a valuable resource for the interested reader student and researcher For those interested in pursuing specific subjects further the book provides sources at the end of each entry as well as a general bibliography Appendixes provide a useful list of abbreviations and acronyms and a listing of ranks and grades in the U S Army *Publications of the U.S. Army Center of Military History* Center of Military History, 1997

The Army Medical Department Mary C. Gillett, 2015-08-17 The second in a projected four volume series that will cover the history of the Army Medical Department from 1775 to 194 1 this volume traces the development of the department from its establishment on a permanent basis in 1818 through the final days of the Civil War in 1865 The uninterrupted existence of the Medical Department after 1818 made possible the gradual transformation of its staff from a collection of physicians of varying skills and attitudes into a group of highly trained and disciplined medical officers proud of their organization and of their roles in it Although the state of the art of medicine before 1865 gave the military surgeon few effective weapons against stillness and infection after 1818 as this most recent volume in the series demonstrates the length of the military career of the average medical officer and his professional attitude toward the challenges he met led him to concentrate his efforts on the Army's health problems and to work persistently to improvise ways in which to meet them The Army Medical Department 1818 1865 is like its predecessor a significant and long needed contribution to the history of military medicine

Public Health and the US Military Bobby A. Wintermute, 2010-10-18 Public Health and the US Military is a cultural history of the US Army Medical Department focusing on its accomplishments and organization coincident with the creation of modern public health in the Progressive Era A period of tremendous social change this time bore witness to the creation of an ideology of public health that influences public policy even today The US Army Medical Department exerted tremendous influence on the methods adopted by the nation's leading civilian public health figures and agencies at the turn of the twentieth century Public Health and the US Military also examines the challenges faced by military physicians struggling to win recognition and legitimacy as expert peers by other Army officers and within the civilian sphere Following the experience of typhoid fever outbreaks in the volunteer camps during the Spanish American War and the success of uniformed researchers and sanitarians in confronting yellow fever and hookworm disease in Cuba and Puerto Rico the Medical Department's influence and reputation grew in the decades before the First World War Under the direction of sanitary minded medical officers the

Army Medical Department instituted critical public health reforms at home and abroad and developed a model of sanitary tactics for wartime mobilization that would face its most critical test in 1917 The first large conceptual overview of the role of the US Army Medical Department in American society during the nineteenth and early twentieth centuries this book details the culture and quest for legitimacy of an institution dedicated to promoting public health and scientific medicine

Department of the Army Pamphlet ,1979 Archaeology and Bioarchaeology of Anatomical Dissection at a Nineteenth-Century Army Hospital in San Francisco P. Willey,Peter Gavette,Eric J. Bartelink,Colleen F.

Milligan,2023-12-13 This volume uses historical archaeological and bioarchaeological analysis to study and understand a nineteenth century medical waste pit discovered at the former Army hospital at Point San Jose in San Francisco **Army**

Long-range Historical Plan United States. Department of the Army,1979 **The Sexual Economy of War** Andrew Byers,2019-05-15 In The Sexual Economy of War Andrew Byers argues that in the early twentieth century concerns about unregulated sexuality affected every aspect of how the US Army conducted military operations Far from being an exercise marginal to the institution and its scope of operations governing sexuality was in fact integral to the military experience during a time of two global conflicts and numerous other army deployments In this revealing study Byers shows that none of the issues related to current debates about gender sex and the military the inclusion of LGBTQ soldiers sexual harassment and violence the integration of women is new at all Framing the American story within an international context he looks at case studies from the continental United States Hawaii the Philippines France and Germany Drawing on internal army policy documents soldiers personal papers and disciplinary records used in criminal investigations The Sexual Economy of War illuminates how the US Army used official policy legal enforcement indoctrination and military culture to govern wayward sexual behaviors Such regulation and its active opposition leads Byers to conclude that the tension between organizational control and individual agency has deep and tangled historical roots **U.S. Army Corps Development In World War I**

Major Vaughn D. Strong Jr.,2015-11-06 This paper examines the development of the American Army corps structure during World War I The corps formation developed in World War I by General John J Pershing was the culmination of 56 years of lessons learned from the Civil War through the beginning of World War I The success of the American Expeditionary force AEF in World War I was in large part the result of the development and combat effectiveness of the corps formation The corps formation allowed commanders flexibility concentrated firepower sustainability and increased command and control The American corps formation in World War I led the AEF to victory in the Saint Mihiel and Meuse Argonne campaigns The American corps formation provided resources and capabilities that helped provide the needed edge to defeat the Central Powers and help end World War I **Doctors, Disease, and Dying in the Pikes Peak Region** Tim Blevins,2012 Readers

will learn about some of the formidable health challenges of our region challenges often overcome by advancements in medical science about the early development of health care as a thriving industry and about the scientists doctors nurses and

other concerned professionals who have led the cause for a better quality of life in the Pikes Peak area Among the causes of death discussed in the book readers will learn about combat disease injury murder and many other forms of demise Doctors Disease and Dying in the Pikes Peak Region includes tales of the pioneers traders and military personnel who were both the purveyors and the recipients of needed care There are chapters about the women and men who practiced medicine in this region discussions about internationally significant developments for the treatment of tuberculosis and cancer the impacts of epidemics on the community mental health issues and poverty *The Army Medical Department, 1818-1865* Mary C.

Gillett,1987 **Frontier Medicine at Fort Davis and Other Army Posts** Donna Gerstle Smith,2022-10-24 From a headless burial to cocaine toothache drops the true stories hidden in the Wild West s medical records are a match for its tallest tales In the 19th century when dying young was a fact of life a routine bout of diarrhea could be fatal No one had heard of viruses or bacteria but they killed more soldiers on the frontier than hostile raiding parties Physicians dispensed whiskey for TB mercury for VD and arsenic for indigestion Baseball injuries were considered to be in the line of duty and twice resulted in amputations at Fort Davis Donna Gerstle Smith explains how an industrious laundress could earn more than a private how a female army surgeon won the Medal of Honor and how a garrison illegally hung the local bartender

Army History ,2000 *John Shaw Billings: Science and Medicine in the Gilded Age* James H. Cassedy,2010-02-23 Much has been written about John Shaw Billings s 1838 1913 role in the founding and development of two great American libraries the Army Medical Library and the New York Public Library to the neglect of other aspects of his career Billings s role as a physician was many faceted Beginning his medical career as an Army surgeon during the Civil War during the next 30 years he added to his medical skills those of scientist administrator and planner builder and organizer of several important medical and public health activities and institutions This book explores Billings as a leader of the Amedical revolution and the public health movement of the late 19th century It emphasizes the part he played as a link between the growing federal government s presence in health policy and scientific activity and the world of private medicine and local public health

The Army Medical Department 1865 1917 Army Historical Series Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free The Army Medical Department 1865 1917 Army Historical Series PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books

and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free The Army Medical Department 1865 1917 Army Historical Series PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of The Army Medical Department 1865 1917 Army Historical Series free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About The Army Medical Department 1865 1917 Army Historical Series Books
