The Ascension Prophecy The Time Is Now:

THE EXCITING TRUTH ABOUT THE END-TIMES B. Vincent Shelton, 2014-10-29 The prophets of old warned that certain key end time prophecies wouldn't be revealed until the time of the end For centuries scholars have curiously wandered through a valley of endless supposition hoping to stumble upon a proper understanding of end time events Hence much of our teaching about the latter days is not strongly supported by scripture Well finally the time of the end has come Today we can scripturally prove the answers to questions like Will the Rapture of the Church occur before during or after The Great Tribulation Period Will the Beast really be a man Will the Door of Salvation still be open when the tribulation period ends Who or what are the two hundred million killer horsemen in John's vision Is our interpretation of end time prophecy emotionally obscured The scripturally sound answers to these questions will likely surprise you **End-Time Prophecy**

Børge Beck, 2023-03-09 Along with a correct understanding of the Bible as the God breathed Word a correct interpretation is crucial Basically there are only two methods of interpretation 1 the non literal allegorical or spiritualizing method or 2 the literal so called grammatical historical method The latter if employed consistently gives the only correct understanding of what God originally intended to reveal about the salvation of mankind The first part of this book demonstrates the advantage of the literal interpretation over the allegorical or spiritualizing method which must be avoided at all costs unless the text demands a shift from a literal to a figurative interpretation of a word or phrase bearing in mind that figurative language still reveals literal truths The second part of the book applies the teaching of the first part to Biblical prophecy which must be interpreted in the exact same way as any other text in the Word of God If employed consistently the literal reading leads to Premillennialism Christ returns to earth before and in order to establish the Millennial Kingdom Pretribulationism the Church is raptured to heaven before the Tribulation and Dispensationalism God's dealings with man in seven consecutive dispensations or stewardships Besides 2 Thessalonians 2:3 is explained on the basis of the Greek text so as to be a conclusive defense of the pretribulation Rapture of the Church The Gnostic Luciferian New Age Babylon Revisited Gregory Lessing Garrett, 2019-09-30 The Gnostic Luciferian New Age Utopia will be based upon a Mystery Babylon re visitation of tolerance for all behaviors narcissistically self indulgent sexually perverse psychoactively induced and sinfully decadent with self worship and self adulation as the highest pinnacle of religious zeal Additionally utilizing the trickery and artifice of an Alien Antichrist Messiah Deception the Luciferian Elite seek to obliterate Christianity and replace it with a Gnostic Pantheistic Cosmogogenesis narrative where Ancient Aliens are our true genetic origins and Cosmic Evolution with Mankind in tow is the Grand Design of the Universe Since this is a very real situation which effects all the world in the direst sort of way the contents of this book are relevant to all citizens of the world This book bravely explores the various guises that this repackaged Babylonian Gnostic Luciferianism has taken and how it got to this point as well as offers answers to this nefarious situation *The Ascension of Our Lord* Peter Toon, 2020-05-13 I am alive forevermore Rev 1:18 In this landmark

work a leading theologian presents one of the most significant studies on the doctrine of the Ascension in many years Peter Toon explores fully all aspects of the Ascension Its foreshadowing in the Old Testament accounts of the Ascension from the New Testament and church teachings on the doctrine through the ages Drawing on the work of the world s most respected theologians Toon shows that the Ascension inaugurates a new age in which Christ began a new ministry as King Priest and Prophet Marked by clarity and penetrating scholarship The Ascension of Our Lord is a valuable resource for pastors and all students of the Bible *The Ascension Prophecy* Ann Campbell,2014-11-08 The brutal death of a Templar Knight centuries earlier is the keystone to a dramatic quest that propels two families into the mystery and magic of their deeper purpose An adventure holiday in the wilds of S W France beckons when the Worthington and Lefvre families are thrown into the epicentre of an ancient prophecy Their strength courage and commitment to the Truth will be tested to the limits for the Dark Forces will challenge their Light Megan Tom and Lily along with their parents and Aunt and Uncle are drawn into the terrifying prejudice of 13th century France They use all their developing psychic gifts to bring healing and peace to this troubled land Merlin and his apprentice amazingly powerful crystals and realms of Higher Beings assist the family in bringing about a New Order A beautifully written book exciting fast paced mysterious and magical Includes map photographs sketches and an informative glossary with space for notes at the end *Beyond Ascension* Joshua David Stone,1995 This book brings forth incredible new channeled material that completely demystifies the seven levels of initiation and how to attain them It contains revolutionary new information on how to anchor and open our thirty six chakras and how to build our light quotient at a rate of speed never dreamed possible The book includes a chapter on cosmic ascension and a unique cosmic map that outlines the process of planetary ascension The map also charts the course for full cosmic ascension through the seven cosmic planes and forty eight dimensions of reality back to the Godhead and undifferentiated Source *History Unveiling Prophecy or Time as an Interpreter* H. GRATTAN GUINNESS,2017-04-18 This graphic story of the gradual unveiling of the meaning of the Book of Revelation in the light of the events of history traces its development through eighteen centuries from the days of the Apostolic and Martyr Church to those of the Medieval Church the Reformed Church and the Church of Modern times It is a history of a gradual revelation during eighteen centuries under the influence of historical facts of the system of interpretation which has commended itself to the most temperate and enlightened minds as in harmony with the Word and Providence of God **The Symmetry Solution: A Modern View of Biblical Prophecy** ,2009-12-29 Contemporary clergy often tell us the Lord s return is imminent but unknowable and that Antichrist is anticipated but unrecognizable prior to his debut Does the Bible veil our advance understanding or does a loving all powerful God show us the way before the great and dreadful day of the Lord With uncommon insight David Smith unites history and mathematics to illustrate a revolutionary idea of prophetic symmetry The Symmetry Solution is not another prophecy book If you are looking for an original work that provides groundbreaking answers to the Lord s wonderfully concealed prophecies
