The Children of the Immortal Keshav Prasad Varma, Who is a Hindu This question mystifies both Hindus and non Hindus around the world Many Hindus having lived in cosmopolitan cities across the globe have not been brought up in a traditional Hindu society and are often at a loss to comprehend and describe their own identity Their claim to being Hindu rests solely on their birth in a Hindu household Western society also finds that Hinduism with its countless gods rituals and beliefs does not fit its concept of an organised religion In popular view Hinduism may just be a way of life and consequently the Hindu identity is perceived to be vague and non uniform Which of their many ancient books do the Hindus follow How do they choose which gods to worship What does karma actually mean These questions are natural The Hindu identity is complex and bears the social philosophical and religious influences of a long past However it continues to be well defined This book explains how it is so and shows how the Hindu identity remains relevant in contemporary times and the global context The varied elements that have shaped the Hindu identity are explored in the book It demystifies ancient Hindu scriptures such as the Vedas and the Manusmriti and provides engaging summaries of the Mahabharata and the Ramayana It tracks the influence of philosophies such as Vedanta Tantra and Yoga as well as the effect of exposure to Western thought It also discusses contemporary issues such as the status of women religious pluralism and the caste system today The anecdotal style of narration makes subtle and complex topics easily comprehensible to all ages Anyone who seeks an explanation of the Hindu identity regardless of belief or age will enjoy reading this book and will benefit from its contents *Publishers' circular and booksellers' record* ,1897

The Spirit of the English Magazines ,1900 *The Mystical Poets of the English Church* Percy Herbert Osmond,1919 Classical English Letter-Writer: or, Epistolary selections; designed to improve young persons in the art of letter-writing, and in the principles of virtue and piety ... By the author of "Lessons for Young Persons in Humble Life" [i.e. E. Frank]. Elizabeth FRANK (of York.),1814 *Classical English letter-writer: or, Epistolary selections designed to improve young persons in the art of letter writing, by the author of 'Lessons for young persons in humble life'.* Frank Elizabeth,1814 Classical English Letter Writer ,1821 *Dattātreyā: The Immortal Guru, Yogin, and Avatāra* Antonio Rigopoulos,1998-04-02 This book presents the multi faceted Hindu deity Dattatreya from his Puranic emergence up to modern times Dattatreya s Brahmanical portrayal as well as his even more archaic characterization as a Tantric antinomian figure combines both Vaisnava Saiva motifs Over the course of time

Dattatreya has come to embody the roles of the immortal guru yogin and avatara in a paradigmatic manner. From the sixteenth century Dattatreya's glorious characterization emerged as the incarnation of the trimurti of Brahma, Visnu, and Siva. Although Maharashtra is the heartland of Dattatreya devotion, his presence is attested to throughout India and extends beyond the boundaries of Hinduism, being met with in Sufi circles and even in Buddhism and Jainism via Nathism. The scarce attention which most Western scholars of Indian religions have paid to this deity contrasts with its ubiquitousness and social permeability. Devotion to Dattatreya cuts through all social and religious strata of Indian society; among his adepts we find yogis, Brahmins, faqirs, Devi worshippers, untouchables, thieves, and prostitutes. This book explores all primary religious dimensions: myth, doctrine, ritual, philosophy, mysticism, and iconography. The comprehensive result offers a rich fresco of Hindu religion as well as an understanding of Marathi integrative spirituality. Precisely this complexity of themes constitutes Dattatreya's uniqueness.
