The Adventures Of Precious Penny:

The Adventures of Precious Penny Dina Marie Filippini, 2015-02-08 We've all heard the old saying Find a penny pick it up and all day long you'll have good luck But have you ever stopped to consider the adventures that lucky penny has experienced before you picked it up The Adventures of Precious Penny is the imaginative tale of a penny who gets to share her travel stories with the other members of the money club Her exciting round trip journey from the bank includes a visit to the candy store some quality time at the playground a suspenseful ride in a little boy's pocket and a thrilling tumble through a washing machine before she returns to the bank after resting inside a piggy bank A great read for children ages four to six The Adventures of Precious Penny will ignite their imaginations and inspire them to create their own stories for the pennies they find Even adult readers will find themselves reconnecting with the curiosity and joy they experienced as kids and opening their eyes to the magic in their everyday lives Forget good luck Learn from Precious Penny the world is an exciting and wonderful place so enjoy it
