The Age of Miracles Karen Thompson Walker, 2012-06-21 A stunner from the first page an end of the world coming of age tale of quiet majesty I loved this novel Justin Cronin author of The Passage WHAT IF our 24 hour day grew longer first in minutes then in hours until day becomes night and night becomes day What effect would this slowing have on the world On the birds in the sky the whales in the sea the astronauts in space and on an eleven year old girl grappling with emotional changes in her own life One morning Julia and her parents wake up in their suburban home in California to discover along with the rest of the world that the rotation of the earth is noticeably slowing The enormity of this is almost beyond comprehension And yet even if the world is in fact coming to an end as some assert day to day life must go on Julia facing the loneliness and despair of an awkward adolescence witnesses the impact of this phenomenon on the world on the community on her family and on herself It is never what you worry over that comes to pass in the end The real catastrophes are always different unimagined unprepared for unknown

The Age of Miracles Karen Thompson Walker, 2013-01-15 A painstakingly researched debut imagines the coming of age story of young Julia whose world is thrown into upheaval when it is discovered that the Earth's rotation has suddenly begun to slow posing a catastrophic threat to all life A first novel **The Age of Miracles** Conal O'Riordan, 1925 *The Age of Miracles* Ellen Gilchrist, 2013-11-22 In her exuberantly funny bittersweet collection Ellen Gilchrist offers 16 stories that delve into the vibrant lives of her signature strong willed women

Ranging from hilarity to despair innocent children bewildered by their elders behavior a writer living on Xanax and a socialite seeking a health cure only to find romance instead of rest Gilchrist's high spirited characters always tend to find themselves in outrageous situations The beloved and feisty Rhoda Manning returns fighting the lure of the bottle while relentlessly going after her dream of becoming a famous writer And while the restraint of family and society continues to haunt Gilchrist's characters they prove fearless and deliciously carve their own chaotic paths toward survival Set in Fayetteville Arkansas and New Orleans Louisiana the tales are artfully fashioned providing tastes of marvelously trouble prone people at every stage of life Packed with humor sexuality and ever true to human weakness this collection is romantic and full of passion a treat in which readers will happily indulge PRAISE The Age of Miracles is Ellen Gilchrist's best book yet Its comedy irony sexuality inwardness and sadness all of it undergirded by a brave and funny sensibility convince me anew that her work is in the first rank of American fiction today Willie Morris Author of My Dog Skip and North Towards Home The Age of Miracles itself seems a miracle powerfully illustrating the serenity that people sometimes develop as they age the reward for enduring all the difficulties and disappointments of life San Francisco Examiner and Chronicle The stories in this collection are among her best Miami Herald

The Contemporary Post-Apocalyptic Novel Diletta De Cristofaro, 2019-12-26 Traditional apocalyptic texts concern the advent of a better world at the end of history that will make sense of everything that happened before But what is at stake in the contemporary shift to apocalyptic narratives in which the utopian end of time is removed The Contemporary Post Apocalyptic Novel offers an innovative critical model for our cultural obsession with the end by focussing on the significance of time in the 21st century post apocalyptic novel and challenging traditional apocalyptic logic Once confined to the genre of science fiction the increasing popularity of end of the world narratives has caused apocalyptic writing to feature in the work of some of contemporary literature's most well known fiction writers Considering novels by Will Self Cormac McCarthy David Mitchell Emily St John Mandel Jeanette Winterson and others Diletta De Cristofaro frames the contemporary apocalyptic imagination as a critique of modernity's apocalyptic conception of time and history Interdisciplinary in scope the book historicises apocalyptic beliefs by exploring how relentlessly they have shaped the modern world

The Fiction of Ellen Gilchrist Brad Hooper, 2005-03-30 Winner of the National Book Award for her short story collection Victory Over Japan Ellen Gilchrist has entertained audiences with her vivid fictional portraits of strong women eccentric lives and the difficulties of love and life Known both for her short fiction and her novels Gilchrist has been awarded several honors throughout her career and her work continues to receive both critical and popular acclaim This book examines her fiction book by book and offers an appreciation of her craft through a careful analysis of the stories themselves their critical reception and their lasting effect on the reader Hooper offers the first complete evaluation of Gilchrist's entire fiction oeuvre Author of such works as In the Land of Dreamy Dreams The Annunciation Go Hunting with My Daddy and several other novels and collections of short stories Ellen Gilchrist has

Degenring,2015-10-16 Light and darkness shape our perception of the world This is true in a literal sense but also metaphorically in theology philosophy literature and the arts the light of day signifies life safety knowledge and all that is good while the darkness of the night suggests death danger ignorance and evil A closer inspection however reveals that things are not quite so clear cut and that light and darkness cannot be understood as simple binary opposites On a biological level for example daylight and darkness are inseparable factors in the calibration of our circadian rhythms and a lack of periodical darkness appears to be as contrary to health as a lack of exposure to sunlight On a cultural level too night and darkness are far from being universally condemnable in fiction drama and poetry the darkness of the night allows not only nightmares but also dreams it allows criminals to ply their trade and allows lovers to meet it allows the pursuit of pleasure as well as deep thought it allows metamorphoses transformations and transgressions unthinkable in the light of day But night is not merely darkness The night gains significance as an alternative space as an other of the day only when it is at least partially illuminated The volume examines the interconnection of night darkness and nocturnal illumination across a broad range of literary texts The individual essays examine historically specific light conditions in literature tracing the symbolic and metaphoric content of darkness and illumination and the attitudes towards them **The Age of the Novel** Gerald
