Arturo Cuomo

The American Wife:

American Wife Curtis Sittenfeld, 2008 In the year 2000 in the closest election in American history Alice Blackwell's husband becomes president of the United States Their time in the White House proves to be heady tumultuous and controversial But it is Alice's own story that of a kind bookish only child born in the 1940s Midwest who comes to inhabit a life of dizzying wealth and power that is itself remarkable Alice candidly describes her small town upbringing and the tragedy that shaped her identity she recalls her early adulthood as a librarian and her surprising courtship with the man who swept her off her feet she tells of the crisis that almost ended their marriage and she confides the privileges and difficulties of being first lady a role that is uniquely cloistered and public secretive and exposed In *Alice Blackwell* Curtis Sittenfeld has created her most dynamic and complex heroine yet *American Wife* is not a novel about politics It is a gorgeously written novel that weaves race class fate and wealth into a brilliant tapestry It is a novel in which the unexpected becomes inevitable and the pleasures and pain of intimacy and love are laid bare *An American Wife*, 18?? **The American Wife** Elaine Ford, 2009-07-28 Elaine Ford's collection roams the territory between the intellect and the heart She writes of the human condition with precision in language that is both grave and conversational Her characters step out of the real world onto the page where she develops them quietly but with compassionate fullness This writer grips the reader with her keen knowledge of the psyche of individuals their motives and secrets and also with the surprising things that happen to them Laura Kasischke judge Michigan Literary Fiction Awards Of Elaine Ford's novel *Missed Connections* the Washington Post wrote that it is a work of small episodes of precise sentences of unusual clarity That same clarity proves an unsettling force in Ford's stories where precision of prose often belies uncertainties hidden beneath In the title piece an American woman in England embroiled in a relationship doomed to fail discovers how little she understands about her own desires and impulses In another story another American wife abandoned in Greece by her archaeologist husband struggles to solve a crime no one else believes to have been committed Throughout her stories Ford touches on the mysteries that make up our lives Each story in itself is a masterpiece of such detail and power as to transform the way we see the world **The American Wife** Chrystyna Lucyk-Berger, 2024-04-08 Outstanding I was hooked by this book and couldn't put it down Oh my goodness I loved this Goodreads reviewer 1938 Shattered fragments of glass snap under my feet as I tread quietly into what was my best friend's apartment Now as I frantically look around in horror I know that the worst has happened she has been taken by the Gestapo And I realise with certainty what I have to do next but will I be too late to save her From the moment the Nazis arrived in Vienna I knew everything would change especially for my closest friend Judith The very fact that she is Jewish means she is in danger but I hoped that she'd get her visa in time to leave the country That they wouldn't come for her But I was wrong And when Judith is taken by the Gestapo I realise I only have one choice save my dearest friend or betray the man I love Because I am a diplomat's wife I know I can steal the papers that will allow Judith to escape to safety It's the hardest

choice I have ever had to make but I know I must be brave and do the right thing no matter what And besides I ve started to wonder which side of the war my husband Edgar is really on Ever since I joined him in Europe I ve watched him grow distant and secretive And as his behavior gets stranger and he pushes me even further away I begin to wonder how well do I know the man that lies beside me every night So as I creep into my husband s study in the dead of night I know in my heart I m doing the right thing But will I be too late to save my best friend and if I get caught what will happen to me An absolutely heartbreaking powerful and gripping story about finding love resilience and friendship in the midst of the darkness of World War 2 Perfect for fans of The Nightingale My Name is Eva and All the Light We Cannot See Praise for The American Wife Fantastic Wonderful Superb I did not want to put this story down When my e reader battery wore down I stood by the charger and read Goodreads reviewer A truly unputdownable book The story kept getting better and better You will have a hard time putting this book down kayy_lambert INCREDIBLE Not to be missed I cannot wait for the next in this series Goodreads reviewer This book is sure to keep you on the edge of your seat right up till the end Goodreads reviewer I loved loved loved this story I look forward to reading the next installment Beautifully written Goodreads reviewer Achingly beautiful Fascinating Stunning It engrossed me to the point of ignoring my surroundings Goodreads reviewer Wow What a story I was on the edge of my seat thatravelinglibrarian Thrilling Kept me riveted to my sofa Goodreads reviewer Absolutely heartbreaking powerful and gripping Goodreads reviewer Fantastic I read this book in two days It was a treat from start to finish justineg_ author Incredible Fascinating Wonderful I laughed a little and cried a lot Rachel Wesson I cannot wait for the next book to be published Highly recommend to every reader Goodreads reviewer Will keep readers in suspense until the very end Goodreads reviewer Easily one of my favorite reads this year Goodreads reviewer The American Wife's Secret Chrystyna Lucyk-Berger,2025-01-13 Kitty held her husband close to her chest covering his beloved body with her own She called for help but none came She stared down at the face she loved so well Edgar Don t go my darling not now Not after all we ve been through please don t leave me here alone 1944 Beautiful American Kitty Larsson knows better than most that fighting the Nazis comes at a price She s spent years working undercover as an agent for the British and knows that doing what is right could cost her everything When Kitty is captured during a mission and her true identity is revealed she learns her beloved husband Edgar has gone missing The Gestapo tell her they have him and that his life is in her hands If she doesn t cooperate he will die and her worst fears will be realized If they are telling the truth Kitty s secrets might be enough to save the man she loves But what if they are lying Fueled by her desire to do what is right but also to save the man she loves Kitty knows that she won t be able to rest until she can escape and find Edgar Because surely somewhere out there he is still alive As the war rages Kitty tries to think of a plan Surely this isn t where it all ends She needs to know whether Edgar is safe and to hold him in her arms once again But to do that will Kitty finally have to make the ultimate sacrifice An absolutely unputdownable gripping and powerful story about love courage and doing what is right in the midst of the darkness of World

War 2 Perfect for fans of The Nightingale My Name is Eva and All the Light We Cannot See Praise for The American Wife s Secret Phenomenal Completely unpredictable and heartbreakingly realistic Five stars simply aren t enough for this book I adored this Goodreads reviewer Absolutely unputdownable I was holding my breath as I read Amazing Vegan Book Blogger I was on the edge of my seat it was so thrilling exciting and nerve wracking Do not miss this Goodreads reviewer Wonderful heartbreaking outstanding I couldn t stop reading Had my heart racing and my tears flowing I loved this Phenomenal Page Turners Incredible kept me spellbound from the beginning to the breath taking conclusion My emotions were riding high my heart pounded with anticipation Fantastic Goodreads reviewer I read in just one sitting completely gripping My jaw literally dropped An incredibly powerful read Christian Bookaholic Wow Amazing I ll be thinking about it and the character Kitty for a long long time Goodreads reviewer Mesmerising I read this book from cover to cover in one day Goodreads reviewer Amazing Oh my word how to put into words my feelings about this book I will admit to having tears in my eyes at the end Oh my goodness me what a ride this book was NetGalley reviewer Heart pounding Will keep you wondering what will happen next A WWII masterpiece Goodreads reviewer Heartbreaking Kept me reading long into the night Goodreads reviewer Will keep you on the edge of your seat and break your heart more than once Goodreads reviewer Epic heartbreaking and unputdownable Goodreads reviewer *An American Wife in Paris* Chrystyna Lucyk-Berger, 2025-01-10 If I go back to Paris it would be my third time there as an undercover agent Kitty murmured I ask myself how many chances does one person get Paris 1941 When Kitty is asked to return to Paris as an undercover agent she knows the mission is her most dangerous yet But she has been fighting the Nazis for too long to stop now And her role within the Resistance has already cost her friends family and now almost her own marriage Because while she and Edgar are more in love than ever his role as an undercover Nazi means it is safer if they are no longer married And while signing the divorce papers is a formality that breaks her heart Kitty knows that she and Edgar will find a way to be together when the war is finally over More determined than ever to undermine the Nazi regime Kitty has nothing left to lose From secretly supplying Prisoner of War camps with essential items to moving refugees across borders to safety she will stop at nothing to play her part in bringing the war to a close even if it means risking her own life But when Edgar goes missing Kitty s world stops As she begins a desperate search for her beloved husband she hears from her contacts that he has been killed But Kitty feels strongly in her heart that somewhere out there Edgar is still alive And she knows she must risk everything to rescue the man she loves no matter what An absolutely gripping heartbreaking and powerful story about courage love and bravery in the midst of World War 2 Perfect for fans of The Nightingale My Name is Eva and All the Light We Cannot See Praise for An American Wife in Paris Wonderful heart breaking kept me on the edge of my seat with Kleenex in hand My heart was pounding faster and louder at every gasp as I continued reading to the very end I loved everything about this story and I highly recommend it Page Turners I loved it and I m disappointed to have gotten to the end I think I might go and read it all over again It s beautifully written emotional and
