The Ark Within Us:

Scriptural Communion with God; Or, The Holy Bible, Arranged in Historical and Chronological Order in Such Manner that the Books, Chapters, Psalms, Prophecies, &c. &c., May be Read as One Connected History, in the Words of the Authorized Translation; Newly Divided Into Sections; for Families and Individuals; with Introductions and Prayers; and Notes for the Student and Inquirer ,1845 The Supernatural You Brenda Kunneman,2009 In desperate moments people often grasp for remedies not realizing that God has already placed inside everyone a source of spiritual well being and power Kunneman details how to discover new levels of spiritual experience and stand in holiness against the enemy The Ark's Power: Dagon Falls Before the Lord Ahmed Musa ,2024-12-13 The sacred ark The false god A clash of powers that shakes the heavens When the Ark of the Covenant was captured by the Philistines and placed in the temple of their god Dagon they believed they had claimed a powerful trophy But they soon discovered that the true power did not lie in their god nor in the Ark as a mere artifact it was in the presence of the living God The Ark s Power Dagon Falls Before the Lord tells the dramatic story of how the mighty God of Israel humbled the false god Dagon causing his statue to fall before the Ark and bringing a series of devastating judgments upon the Philistines This story reveals the supremacy of God s power over all idols and false gods showing that no force can stand against His will In The Ark s Power Dagon Falls Before the Lord you will discover The significance of the Ark of the Covenant in Israelite worship and its power as a symbol of God s presence among His people The events leading up to the capture of the Ark and the Philistine s mistaken belief that they had defeated Israel s God How the Ark s arrival in the temple of Dagon led to a shocking series of supernatural events including Dagon s fall and the afflictions that befell the Philistines The deeper theological implications of God s supremacy over all idols and the lessons it teaches about the futility of worshiping anything other than the true God How this confrontation between God and false gods foreshadows the ultimate victory of God over all powers and authorities both spiritual and earthly The fall of Dagon is more than just a dramatic story it is a clear declaration that no idol no power and no false god can stand before the almighty God of Israel The Philistines thought they had captured the Ark as a prize but instead they found themselves confronted by the undeniable truth of God s supremacy This powerful event not only humbled Dagon but also set the stage for the restoration of the Ark to Israel signifying that God would always protect His people and His presence among them What idols in your life need to fall before the power of God How does this story challenge you to examine what you truly worship The fall of Dagon reminds us that no matter how powerful or influential an idol may seem it will always bow before the sovereignty of God When we place God above all else His power is unmatched and His presence unshakable Step into The Ark s Power Dagon Falls Before the Lord and reflect on the ultimate supremacy of God over all things God alone is worthy of our worship let His presence be the only thing we seek and trust in **The Collected Works of Witness Lee, 1961-1962, volume 1** Witness Lee, Brother Witness Lee began 1961 in the month of January by giving a

San Francisco Bay Area and held meetings on two occasions in April and July. On August 31 through September 3 he conducted a conference in Los Angeles. More than thirty brothers and sisters from San Francisco and Sacramento, California, joined the conference. The subject of the conference was the experience of Christ for the building up of the church. On the last day of the conference many renewed their consecration to the Lord. During the time when Brother Lee was residing in Seattle he met privately with a few Chinese students from the Far East together with twenty or thirty other Christians. On November 11 the saints in Seattle began to break bread. Although conferences had been planned in which he would speak in Taiwan prior to these conferences, Brother Lee received a clear leading from the Lord to not return to Taiwan but remain in the United States and begin the work of the Lord's recovery there. This was a significant turn in the move of the Lord in His recovery on the whole earth, especially in the spread of the recovery to the Western world. Around the third week in November, Brother Lee traveled from Seattle to San Francisco and Sacramento. After spending three days in Sacramento, he traveled to Los Angeles at the end of the month. There is no record of his speaking in Sacramento. Beginning on December 22, Brother Lee conducted a ten-day conference on the all-inclusive Christ. This was the first major conference after the Lord initiated His recovery in the United States. The attendees at this conference included an American brother from New York City, three responsible brothers from Louisville, Kentucky, one sister from near Chicago, Illinois, five or six Caucasian brothers and sisters, and two Chinese saints from Sacramento, more than twenty from San Francisco, plus the local saints and some Caucasian visitors. During this conference, Brother Lee conducted four meetings each day, starting at 6:30 A.M. The second morning meetings and the evening meetings were on the subject of the all-inclusive Christ. The first morning meetings and the times of fellowship in the afternoon were on miscellaneous topics. The conference ended on the last day of the year and was followed by fasting and prayer that lasted past 1:30 the next morning.
